# NEW YORK CITY CHARTER HIGH SCHOOLS

This is a list of New York City charter high schools that are projected to serve at least one high school grade (grades 9-12) during the 2017-2018 school year. For the most current admissions information, visit our website or contact each school directly. Every charter high school is monitored and evaluated by its authorizer to ensure it is meeting appropriate performance goals, delivering its proposed educational program, and is in compliance with all applicable laws. Each authorizer produces reports with performance information for its charter schools. Performance reports for each of the following schools can be found on the authorizer's website.
