SCHOOL OVERVIEW

Our college preparatory school focuses on American history and its interdisciplinary connections. Students learn in a supportive environment, allowing them to grow socially, emotionally, and academically. As the flagship high school of the Gilder Lehrman Institute of American History, we provide insights into America’s history through a rigorous curriculum that includes study in art, music (with a focus on opera), theater, and journalism. Our Advanced Placement (AP) program and partnerships with CUNY and St. John’s University allow students to earn college credits. Our curriculum is enriched with trips to historical sites, the theater, and the opera, as well as community service, sports, and additional activities.

10 10th Grade Seats Also Offered

■ SCHOOL OVERVIEW

We provide students with a rich education through the lens of the healthcare professions. We fulfill the need for quality clinicians, nurses, and doctors. Students gain the skills necessary to become members of a healthcare team. We stress a hands-on approach to the sciences and STEM education. Our “Medical Scholars” program is in partnership with Plaza College where students receive free college credits. Additionally, our clinical internship program through St. John’s Hospital provides real-world career experiences for students in a healthcare setting. Here at AMT we help all students learn, grow, and become our future.

10 10th Grade Seats Also Offered

■ ACADEMICS

- We offer many opportunities to accelerate and earn college credit while still in high school through our Medical Scholars Program through Plaza College
- Our clinical internships prepare students for academic challenges as well as future career goals.
- STEM education is the backbone of future success. Our science instruction stresses hands-on problem solving and deep understanding of science content.

English Language Learner Programs: English as a New Language

Language Courses: Spanish

■ ACTIVITIES

Chess, Chorus, Clinical Research, Dance, Digital Media, Health Occupations Students of America (HOSA), Karate, Math, Mentoring, Science Olympiad, Service Learning Internship Program

PSAL Sports—Boys: Baseball, Basketball, Cross Country, Football, Indoor Track, Outdoor Track, Soccer, Swimming

Program Description: This program is a partnership with Plaza College where our best and brightest students are offered the opportunity to pursue credit at the college level. The program is geared toward dedicated students with a desire to succeed. The course work is rigorous and requires students to commit to an advanced course of study in the field of medicine. Students are challenged but provided with the skills to be college- and career-ready.									

SCHOOL OVERVIEW

At our school, where dreams take flight, scholars learn through engaging inquiry, problem-solving, performance-based instruction, and assessment. Our interdisciplinary focus allows our scholars to be college, career, and life ready. Our students engage in authentic interdisciplinary learning experiences which prepare them for all their future academic endeavors. The Culinary and Aviation Career pathways provide academic and technical preparation for pursuing high-demand and high-skill careers in related and growing industries. It is our mission to graduate lifelong learners who will be change agents within their communities, chosen professions and the world.

- Standardized Test Scores: English Language Arts (3.1-4.5), Math (3.7-4.5)
- Attendance

SCHOOL OVERVIEW

Bard High School Early College Queens (BHSEC Queens) was founded on the belief that many students are ready to do serious college work at age 16. Bard College, in partnership with the New York City Department of Education, has created an innovative program that enables high school students to move, in four years, from ninth grade through the first two years of college. During this time, students will earn a high school diploma, up to 60 college credits, and an Associate of Arts (AA) degree upon graduation. We have a very welcoming environment for all students with over 30 different home languages, a gender neutral bathroom, and a variety of clubs to celebrate the strength and unity of our differences.

- ♥ Early College School
- 10 10th Grade Seats Also Offered

ACADEMICS

- Please visit bhsec.bard.edu/queens/academics/courses-past/ to view and download past college course guides.
- In their first two years, students receive a solid foundation in mathematics, science, history, English, a foreign language, and the arts
- In the final two years, the college program balances core requirements with opportunities for students to pursue their individual interests
- We offer a variety of college courses and opportunities for students to engage in independent studies of their own design
- Students completing 60 college credits will receive the Bard College AA degree and may transfer these credits to colleges and universities.

English Language Learner Programs: English as a New Language

Language Courses: Arabic, Chinese (Mandarin), Hebrew, Japanese, Latin, Spanish

ACTIVITIES

3D Printing, Anime, BHSEC Cares, Black Student Union, Body Love, Community Council, Cooking Chemistry, Cultura Latina, Debate, Feminism, Fencing, Filipino Culture, Girls Who Code, Habitat for Humanity, Hip Hop, K-Pop Hallyu, Math Team, Model UN, Music, Literary Magazine *HYPE*, Muslim Student Association, Moving Pictures Society, Newspaper *B.Q. Broadside*, Peer Mentors, Peer Tutors, Robotics, The Alliance (QSA), Seekers, Step Team, Student Ambassadors, Student Government, Weight Training

- Math Test (On-Site)
- Writing Exercise

■ 2016-2017 ASSESSMENT INFORMATION

- To be considered for admission to BHSEC (Manhattan and/or Queens Campus), student report cards should reflect a cumulative average of an 85 or above in English, math, science, and social studies.
- Students may apply to both schools. They must, however, indicate each one as a separate choice on the Department of Education High School Application.
- Students only need to take one assessment in order to apply to either or both schools. The assessment may be taken in either our Manhattan or Queens location.
- All students wishing to be considered for admission to BHSEC (Manhattan and/or Queens Campus) must register online via the school's website at www.bard.edu/bhsec. Registration for the assessment begins September 8, 2016.
- Students who demonstrate strong abilities in their grades and the assessment will be invited to an interview at BHSEC. Students receive an email invitation for an interview.
- When evaluating applicants, BHSEC seeks to build an incoming ninth grade class that is representative of the entire City of New York.

■ SCHOOL OVERVIEW

A New Visions School combining college-focused academics; professional learning experiences & internships; engaging clubs, teams, and events with personalized support designed to ensure success in college and beyond. SCHOOL OVERVIEW

Students attending Business Technology Early College High School (B-TECH) use technology to solve everyday problems. Our students become expert readers, writers, and critical thinkers with the technical skills to be successful in our modern, information-based global economy. Students have up to six years to earn a high school diploma and an Associate’s degree – free of cost – from Queensborough Community College. Students also receive hands-on job training and apprenticeship with SAP (an international enterprise software development company). Upon graduation, our students have the knowledge, skills, CTE certifications, and work experience to make them highly competitive for employment and/or four-year colleges.

SCHOOL OVERVIEW

As an Expeditionary Learning school, our approach to curriculum connects learning to real-world issues. Our Learning Expeditions and field visits get students out of the classroom and into the practice of investigating solutions to real-world problems. Our Expeditionary Learning emphasis invests students in their community, teaches them the value of leadership and service, and establishes a solid academic base from which students can launch careers in fields such as science, government, medicine, law, and education. Character development is our foundation; students’ habits of work and learning are service, trust, accountability, and respect (STAR).

ACADEMICS

SCHOOL OVERVIEW

Civic Leadership Academy is a small school offering a challenging academic program with the goal of every student going to college. Our high expectations and focus on strong work habits, combined with an emphasis on critical reading, writing, and thinking skills, promote college and career readiness. The learning environment is highly personalized and supported by a dedicated and caring staff. Our curriculum is enhanced by a focus on community service, which gives students opportunities to discover their place in the world and their capacity to make a difference in their communities. We encourage parents to take an active role in helping us reach the goal of every student going to college.

SCHOOL OVERVIEW

Eagle Academy III is an all-male college preparatory school (grades 6-12) that educates and develops young men into future leaders. This is done through strategic partnerships between our scholars, administrators, teachers, parents, mentors, and community supporters. Through Eagle Academy’s mission to cultivate integrity, students learn team-building and engage in community service while working in a nurturing and academically rigorous environment. Eagle Academy’s young men develop core values of academic excellence, leadership, and character, supported by the following initiatives: Mentoring, Saturday Institute, Summer Programs, Community Service, Parental Engagement and Extended Learning Opportunities.

SCHOOL OVERVIEW

We are a small, inclusive school guided by 4 pillars: Honor, Excellence, Curiosity and Celebration. 98% of students go to college. Students engage in a college-bound academic program of Regents, AP, College Now courses, and study Chinese, Korean or Japanese. We offer a robust after-school club culture supported by our student government. We encourage acts of kindness through Rachel’s Challenge, an anti-bullying program. Our Parent Coordinator keeps parents informed through biweekly postcards, a newsletter, and First Fridays. Grades and progress reports are available online. Seniors attend college prep classes; juniors can take onsite Kaplan SAT prep courses. Our NEST program provides significant individual support for students with autism.

10 10th Grade Seats Also Offered

SCHOOL OVERVIEW

At Energy Tech, students interested in engineering, science, math, and technology follow a unique pathway to high-demand careers in a fast-growing industry. To prepare for these competitive engineering careers, we provide extensive academic support and mentoring. Our students learn through hands-on problem solving in and out of the classroom through partnerships with LaGuardia Community College, Con Edison, and National Grid. Students can remain at our school for up to six years, earning a high school diploma and an Associate’s degree – free of cost – while participating in training and internships. Students leave ready to go directly into careers or as strong candidates for four-year colleges.

- ♥ Early College School

SCHOOL OVERVIEW

We serve recent immigrants who are both new to the United States and new learners of English. Teachers and students work in teams and teachers know their students well. Teams of teachers integrate interdisciplinary curriculum in which students work on projects that connect ideas from different classes. Both native language and English language development are supported across content areas. Students present graduation-level portfolio tasks as a requirement for graduation. Our program is designed to help immigrant students succeed in college and the world of work.

- Performance Assessment School
- School for New Arrivals

Eligibility: Students eligible for these programs are English Language Learners per New York City Department of Education guidelines scoring at the Entering, Emerging, or Transitioning levels on the NYSESLAT, NYSITELL, or LAB-R.

ACADEMICS

- Academic Portfolio required
- iLearnNYC: Program for expanded online coursework and self-paced learning
- Collaborative group work and interdisciplinary study; Small group advisories; Elective courses in academic subjects, arts, and technology
- Internships in technology, arts and community-based organizations, as well as at local businesses; CUNY College Now

English Language Learner Programs: English as a New Language

ACTIVITIES

Before- and After-School Academic Support; World Languages Club, Chess, Drama, Digital Video/Photography, IT; Green Team, Newspaper, Food and Cultural Explorers, Korean Fan Dancing, MultiSquad (Multicultural Student Group); Regents Prep, SAT Prep, Science Challenge, Creative Writing, Guitar, Dream Team, Student Government; Language Enrichment

PSAL Sports—Boys: Badminton, Baseball, Basketball, Soccer

PSAL Sports—Girls: Badminton, Handball, Volleyball

School Sports: Boys Soccer, Co-ed Soccer, Boys Baseball, Volleyball

PERFORMANCE

72% of students graduate in four years

61% of students enroll in college or career programs

92% student attendance

89% of students feel safe in the hallways, bathrooms, locker room, and cafeteria

88% of students feel that this school offers a wide enough variety of programs, classes, and activities to keep them interested in school

SCHOOL OVERVIEW

It is the policy of Frank Sinatra School of the Arts (FSSA) High School that every student receives the most challenging academic and arts program possible. We offer every student the opportunity to take four years of science and math in addition to four years of English and social studies. The studio arts program provides students an intensive sequential study of an art form that includes the chance to explore the history, cultural significance, and aesthetics of their selected art form. Students will be introduced to all of the disciplines offered at FSSA through a curriculum that enables students to make connections with all art forms, fostering a true artistic community.

PROGRAM ADMISSIONS

Program Name	Code	Interest Area	Admissions Method	Prior Year Admissions					
				Type	Seats	Filled	Applicants	Applicants Per Seat	10 th Grade Seats Offered
Film and Media Arts	Q40F	Film/Video	Audition	GE	26	Y	207	8	Yes – 5
				SWD	2	Y	34	17	

Admissions Priorities: 1 Open to New York City residents

Program Description: Study includes text analysis, film as a cultural and historical document, analysis of artist work; courses in video production, film theory and history, industry practices, and legal issues. Students have access to state-of-the-art digital technology.

Selection Criteria (prior year ranges—learn more in the introduction):

- Course Grades: English (84-100), Math (71-100), Social Studies (83-100), Science (80-100)
- Standardized Test Scores: English Language Arts (2.1-4.5), Math (2.1-4.5)
- Attendance and Punctuality
- Audition

Audition Information: During the audition, students will submit for review 10 original drawings or photographs on 18" x 24" poster board that tells a sequential story without words. Images should demonstrate the applicant's knowledge of visual composition and storytelling. Students will be shown four images and asked to develop an original story that could be the basis for a film. Three questions should be considered while writing: Who are the characters? What problems do they face? What do they do to resolve them?

SCHOOL OVERVIEW

Frederick Douglass Academy (FDA) VI High School is a high school built on Dr. Lorraine Monroe’s vision of academic and personal excellence for all students. The emphasis on college preparation is supported by a challenging academic program and cultural enrichment. A set of core rules visible at every Frederick Douglass Academy signals the seriousness of purpose for the school, its students, and teachers. All students must adhere to a code of student conduct, the Scholar’s Creed and a strict uniform code. Students are also required to participate in extensive after-school academic enrichment programs.

10 10th Grade Seats Also Offered

Program Description: Advanced academic course studies

■ SCHOOL OVERVIEW

The mission of our school is to provide students with an in-depth, well-rounded education that emphasizes science and mathematics. Classroom teaching and learning are complemented with authentic, inquiry-based research experiences. The combination of research and teaching experience prepares students to become critical thinkers and problem solvers who pursue careers in biological sciences, physical sciences, mathematics, engineering, and veterinary sciences. The physical, emotional, and social well-being of our student body is nurtured through advisories, community service, and a small and personalized learning community.

SCHOOL OVERVIEW

This is a CTE school that prepares students for college, technical school, and apprenticeships in construction trades, engineering, and architecture. We have state-of-the-art facilities that support computer-aided design, mechanical drafting, technical drawing, model building, construction technology, electrical installation, digital electronics, and engineering. We partner with construction, architecture, and engineering firms and non-profits. We allow students to explore their talents and interests while receiving a solid academic foundation that prepares them for college and careers. Our learning environment promotes academic achievement through the integration of career interests and making connections between learning and the world.

10 10th Grade Seats Also Offered

ACADEMICS

- CTE program(s) in: Architecture and Construction, Manufacturing Production, Scientific Research and Engineering
- Students may receive CTE endorsement in the following areas: Construction Technology, Architecture, and Engineering

■ SCHOOL OVERVIEW

Hillcrest is a STEAM (Science, Technology, Engineering, Arts, and Mathematics) school that proudly offers its students a world-class education with a dynamic faculty and challenging curriculum. Our students get the benefits of a small school setting with our seven Small Learning Communities (SLC) in a large comprehensive high school. Every SLC is run by one teacher-leader, one school counselor, and teachers who use rigorous instruction to ensure student success. Each SLC has connections to the professional world with various partnerships and internships with elite organizations in New York City. Hillcrest offers its students programs such as Virtual Enterprise, Model United Nations, Moot Court, Junior Achievement, HOSA, Journalism, and Theatre.

10 10th Grade Seats Also Offered

■ ACADEMICS

- Honors Pre-Med provides STEM classes built on science research & exploration; Health Sciences offers CTE Nursing Assistants as well as Sports Medicine

SCHOOL OVERVIEW

Humanities & the Arts challenges students to dream big and accomplish even more. Our strong academic focus is coupled with an equally strong sequence in the Visual Arts that culminates in AP Studio Art in senior year. Performance Arts includes theater, music, and dance. Our college-going culture is fostered by a continuing partnership with Queensborough Community College with the Pathways to Nursing Program, Connect to College Program, as part of the high school day program, and Project Prize. Students can earn as many as 21 credits towards an Associate’s degree free of cost, beginning in ninth grade. CUNY College Now classes are also available at Queens College for eligible students. All seniors attend College Summit classes. Effort matters.

■ SCHOOL OVERVIEW

The Institute for Health Professions at Cambria Heights prepares students for college and careers in medicine. The school strives to meet individual learning needs by creating goals for all members of its community. Students will take their learning beyond the classroom by collaboratively solving problems, completing labs based on the realities of emergency medicine and hospital care, and attending Health Occupation Students of America (HOSA) conferences. Students will participate in training exercises at North Shore Long Island Jewish’s (LIJ) Center for Learning and Innovation, complete rotations on an ambulance or in a hospital, and earn CTE certification in either Emergency Medical Services or Nurse Assisting.

SCHOOL OVERVIEW

We are a small, multicultural high school on the campus of LaGuardia Community College. All of our students are new to the country. We focus on English language development. Our teachers collaborate on interdisciplinary teams. We prepare English Language Learners for success in college and careers. Students develop their academic and English skills by completing individual and group projects. Students present portfolios for graduation and are able to stay for a free year of college as part of our Early College Program after they complete their high school graduation requirements within four years. While in the Early College Program, we provide students with academic support classes to ensure their success in college.

Program Name	Code	Interest Area	Admissions Method	Prior Year Admissions					
				Type	Seats	Filled	Applicants	Applicants Per Seat	10 th Grade Seats Offered
International High School at LaGuardia Community College	Q27J	Humanities & Interdisciplinary	Screened: Language	GE	93	Y	568	6	Yes – 14
				SWD	17	N	39	2	

Eligibility: Students eligible for these programs are English Language Learners per New York City Department of Education guidelines scoring at the Entering, Emerging, or Transitioning levels on the NYSESLAT, NYSITELL, or LAB-R.

Program Description: English taught in all classes, interdisciplinary instruction, reduced class size (25 students), access to college classes, and facilities

SCHOOL OVERVIEW

We offer English Language Learners who are new to the country an opportunity to develop skills necessary to pursue college and careers in medicine. Classes focus on reading, writing, and communicating in English while also providing opportunities to maintain students' native languages. We give our students experiences in local healthcare settings before they graduate. Students gain practical skills including CPR and first aid, explore careers through 11th grade internships at local medical centers, and take early college coursework with our university partners. These hands-on opportunities both provide a context for language acquisition and allow students to use their native language as an asset in their service to the community.

- Performance Assessment School

SCHOOL OVERVIEW

Jamaica Gateway to the Sciences focuses on students interested in the pursuit of science and health-related careers. The school is affiliated with the Gateway Institute for Pre-College Education at City College. Our Mission is to encourage the consistently high achievement of, and provide advanced academic preparation for, high school students financially disadvantaged and historically underrepresented in higher education institutions. Students will graduate prepared academically, socially, and emotionally for rigorous college coursework and the pursuit of health and science related careers.

SCHOOL OVERVIEW

As a large school, students can choose from a broad array of Advanced Placement (AP) and CUNY College Now classes, numerous electives in expanding technology, science, writing, art, and music programs, more than thirty athletic teams, clubs, and extracurricular activities. We have eight Small Learning Communities, each with its own area of focus led by staff who work with the same group of students for all four years. We prepare all students for college and career, supported by partners such as CEI-PEA, York College, and New York City College of Technology. We have upcoming partnerships with SUNY Albany and are a candidate for the International Baccalaureate Program. We have adopted a PBIS Framework to promote a positive school culture.

10 10th Grade Seats Also Offered

SCHOOL OVERVIEW

All of our students graduate as literate, committed, inquisitive learners. We provide students with a challenging learning community that prepares them for college and careers. We seek to strengthen our community so that parents are involved in our academic vision. It is our goal to develop strategies which engage in rigorous academics, enhance relations, and improve communication among students of different backgrounds, foster positive attitudes towards school and learning, strengthen community feeling, and propel students into their future aspirations. Each student is motivated to meet the Common Core Learning Standards, to respect and appreciate individuals of different cultures, and to be a contributing citizen to their community.

10 10th Grade Seats Also Offered

Program Description: Zoned students will have opportunities in comprehensive core academic courses offering an extensive menu in the Arts with sequences in Animation, Computer-Aided Design, Visual Arts, and Music.									

■ SCHOOL OVERVIEW

Maspeth High School was founded in September 2011. We operate under the classical philosophy that all knowledge is interrelated. We expect all of our students to graduate with an Arts Endorsed, Advanced Regents Diploma in four years and attend top four-year colleges and universities. A graduate of Maspeth High School will have taken four years of Classical Language, Latin or Mandarin, and be fully prepared for college, career, and productive citizenship.

■ ACADEMICS

- Classical liberal arts curriculum. Students are required to read and write on a daily basis using technical speech and critical thinking skills.
- Four years of History, Mathematics, Science, English, and Classical Language are required.
- Maspeth High School offers an extensive fully-integrated fine arts program featuring Visual Arts, Orchestra, Dance, Theater, and Choir.

English Language Learner Programs: English as a New Language

Language Courses: Chinese (Mandarin), Greek, Latin

Advanced Placement (AP) Courses: Biology, Calculus, Economics, English, Latin, Physics, Psychology, Studio Art, US Government and Politics, US History, World History

Diploma Endorsements: Arts

■ ACTIVITIES

Best Buddies, Chess, Maspeth Messenger, Robotics, Classics, Dance, Fitness, Judo, Law Club, Maspeth International, Model UN, Science Olympiad, Speech and Debate, Tri-M Music Honor Society, Yearbook, ArgoNotes, Thespian Society, Key Club, Mock Trial, National Honor Society, Student Government, Future Doctors, buildOn, Junior State of America, Maspeth Aeronautics and Space Association (MASA), ECHO Literary Magazine, Homeric Society, String Ensemble, Unity, Red Cross, Tech Theater, Super Smash Brothers

PSAL Sports—Boys: Baseball, Basketball, Lacrosse, Rugby, Soccer, Tennis, Wrestling

PSAL Sports—Girls: Badminton, Basketball, Cross Country, Fencing, Flag Football, Handball, Indoor Track, Lacrosse, Outdoor Track, Soccer, Softball, Table Tennis, Tennis, Volleyball, Wrestling

PSAL Sports—Coed: Cricket

School Sports: Golf, Soccer, Fencing, Football, Tennis, Track & Field, Flag Football

■ PERFORMANCE

97% of students graduate in four years	N/A of students enroll in college or career programs
92% student attendance	89% of students feel safe in the hallways, bathrooms, locker room, and cafeteria
90% of students feel that this school offers a wide enough variety of programs, classes, and activities to keep them interested in school

SCHOOL OVERVIEW

Our mission is to offer students opportunities to achieve success by providing a small personalized environment on a college campus. We provide tangible experiences that help students connect to the next stages of their academic and social lives as well as their careers. There is open access to the campus of LaGuardia Community College and students may enroll in college classes as part of their high school instructional program. All students are expected to graduate with a minimum of 24 college hours.

- ♥ Early College School
- 📄 Performance Assessment School
- 🎓 10th Grade Seats Also Offered

- Course Grades: English (65-100), Math (65-100), Social Studies (65-100), Science (65-100)
- Standardized Test Scores: English Language Arts (2.0-4.5), Math (2.0-4.5)
- Attendance and Punctuality

■ SCHOOL OVERVIEW

Newcomers is internationally recognized for the exceptional quality of teaching, learning, and support services for English Language Learners offered at the school. The outstanding educational program provides a pathway for new immigrants to pursue their academic dreams. Recognizing that students initially face challenges when transitioning to a new educational, social, linguistic, and cultural setting, one essential component of the school is an orientation program that begins on the first day. The program eases the transition to a new school and assists students in acquiring necessary survival skills, from learning about the subway system to adopting key phrases to help them function in their daily lives.

Eligibility: Open only to Queens students or residents who have lived in the United States one year or less at the time of admission to high school and require English as a New Language (ENL) or Bilingual instruction.

■ ACADEMICS

- Intensive English as a New Language and Bilingual Programs, Digital Design, Math Team, Orchestra, Chorus, Advanced Visual Art Program, Photography, Big Brothers Big Sisters
- Junior Achievement Partnership, 21st Century Grant Programs, Arts Achieve, CUNY College Now Program in partnership with LaGuardia Community College
- South Asian Youth Action (SAYA), Make the Road (GSA Program), Reportorio Espanol

English Language Learner Programs: English as a New Language; Transitional Bilingual Education: Chinese, Spanish

SCHOOL OVERVIEW

The Pan American International High School is a diverse learning community of recently-immigrated English Language Learners (ELLs). Our primary focus is English language development, while providing opportunities for students to enhance their Spanish language skills. Our partnerships with organizations such as Urban Arts cultivate the leadership of students in their communities through service, learning projects, internships, and the arts. We are committed to creating an environment that celebrates students' individual identities while preparing them to be successful in college and become productive members of the global community.

- Performance Assessment School
- School for New Arrivals
- 10th Grade Seats Also Offered

Eligibility: Open only to New York City residents living in the United States four years or fewer whose home language is Spanish and are English Language Learners per New York City Department of Education guidelines scoring at the Entering, Emerging, or Transitioning levels on the NYSESLAT, NYSITELL, or LAB-R.

ACADEMICS

- Students complete Performance-Based Assessment Tasks (PBATs) as a replacement for some Regents Exams.
- Before and After-School Activities, Saturday Academy, CUNY LINCT, University of Albany College Now, and College Prep classes.

Continuing Eighth Grade Program Eligibility: Open only to continuing eighth graders.	Q09A	Humanities & Interdisciplinary	For Continuing 8th Graders	GE	Guaranteed offer to continuing 8th grade students who apply				No
SWD									
Program Description: Program for continuing eighth grade students. Our continuing eighth grade students who meet specific academic requirements will be placed on an accelerated honors track as a Pathways Early College Scholar (PECS), where they will take AP courses starting in the ninth grade, complete all requirements for an advanced high school regents exam by end of 10th grade, and enroll in college courses in the 11th and 12th grade through Adelphi University.									
Pathways College Preparatory School: A College Board School	Q09R	Humanities & Interdisciplinary	Ed. Opt.	GE	69	N	202	3	
				SWD	12	N	17	1	No
Admissions Priorities: ❶ Priority to Queens students or residents who attend an information session—46% of offers went to this group ❷ Then to New York City residents who attend an information session ❸ Then to Queens students or residents ❹ Then to New York City residents									
Program Description: Students accepted in this program will engage in a rigorous academic program where they will complete all requirements for a regents diploma by the end of 10th grade. Students will also be able to choose an art or technology track to fulfill their elective requirements and be exposed to various leadership and real world experiences to ensure they are college ready. Starting in the 11th grade students will enroll in college courses on-site at Pathways. During their 12th grade qualifying students will take courses off site at Adelphi University. Upon graduation students will have accumulated a minimum of 12 college credits.									

SCHOOL OVERVIEW

Preparatory Academy for Writers: A College Board School is a small school committed to combining a challenging curriculum with a focus on writing and publishing. Students learn to think critically, communicate effectively, and be open to a wide range of ideas and experiences. Students in all programs will write for publication, both in print and online forums.

SCHOOL OVERVIEW

We provide a challenging academic program to students of diverse backgrounds, achievement levels, and interests in a small, student-centered learning community. As a Community School, we partner with community-based organizations to help our students physically, mentally, and academically. Our students participate in scientific research, field-based learning, web-based communication, and problem-solving projects. We help each child become college-ready through rigorous coursework, Advanced Placement (AP) classes, and CUNY College Now courses. Our goal is for each student to acquire the ability to access, interpret, and use information and technology to communicate effectively, and prepare to meet the challenges in this ever-changing world.

■ SCHOOL OVERVIEW

Queens Metropolitan High School is a college preparatory school with a mission to have all its students attend and graduate from a college of their choice. In order to prepare for college, students are required to push their thinking in all content areas. They are frequently asked to write, defend their answers, and apply what they are learning to new situations. In addition to coursework, students take college trips and research college options to determine the college of their dreams.

SCHOOL OVERVIEW

Queens Preparatory Academy (QPA) offers its scholars a challenging curriculum that emphasizes math and science achievement. Our scholars engage in inquiry-based and project-based learning to develop their critical thinking and problem solving skills as they tackle real-world problems in math, science, and the humanities. Our advisory program assists scholars in developing the academic, social, and emotional skills that promote academic success. Our scholars’ engagement in community service projects, social justice based humanities courses, Drop Everything and Read, and college and career research planning provides them with the necessary tools and experiences to be productive citizens and lifelong learners.

ACADEMICS

- AVID College Readiness Program, Online Courses, College Now, Financial Literacy Course, Drop Everything and Read, Advisory, Junior/Senior Internships
- College Advisory, College Tours, CUNY College Now, Humanities, Financial Literacy, Pre-engineering, Robotics, Instructional Technology
- MOUSE Squad, Digital Photography, Leadership & Mentorship Programs, Peer Mediation, Conflict Resolution, Extended Day, Science, Technology
- Engineering, and Mathematics (STEM) Enrichment Courses, Summer Enrichment Placements, Three-Year Talent Block: Visual Arts, School Band
- Improv, Senior Internship, Ninth Grade Leadership Development, Career and College Planning

English Language Learner Programs: English as a New Language

Language Courses: Spanish

Advanced Placement (AP) Courses: Biology, English, US History, World History

ACTIVITIES

Brotherhood and Sisterhood Leadership Groups, MOUSE Squad, Community Service Projects, Annual Blood Drive, Wounded Warrior Project, Student Advisory Board, Improv Group, QPA School Band, QPA Cafe Expressions, Video Editing Club, DJ Club, Poetry Club, Cheerleading, Dance Club, College Tours, Student Advisory Council, New York Police Department (NYPD) Explorers

PSAL Sports—Boys: Baseball, Basketball, Football, Indoor Track, Outdoor Track, Soccer, Wrestling

PSAL Sports—Girls: Basketball, Flag Football, Indoor Track, Soccer, Softball, Tennis, Volleyball

PSAL Sports—Coed: Cricket, Stunt

School Sports: QPA Weightlifting club, QPA Battle of the Grades

PERFORMANCE

76% of students graduate in four years

■ SCHOOL OVERVIEW

The Queens School of Inquiry is an early college school designed to prepare students to succeed in college. Our students have the opportunity to earn up to 62 tuition-free Queens College credits while still in high school. We help students develop academic skills in an environment that promotes inquiry-based learning and self-management. A close collaboration with Queens College, CUNY, and the Bill & Melinda Gates Foundation, along with a dedicated faculty, enables us to promote college readiness and career awareness. We are a neighborhood school that emphasizes real-life applications of academic content in our effort to educate caring and ethical citizens.

♥ Early College School

■ ACADEMICS

- Students begin taking dual credit courses in the ninth grade through Queens College
- By 11th and 12th grades, the majority of students have the opportunity to take college classes on the Queens College campus.

SCHOOL OVERVIEW

Through a college preparatory curriculum, our school focuses on the crucial life skills of problem-solving, critical thinking, and literacy. Our school meets all students’ educational needs, beginning with the Ninth Grade Academy and continuing with focused Small Learning Communities. Each program fosters high expectations and academic achievement in a positive and supportive learning environment. The Small Learning Community pathways include themed programs for college and career readiness. We welcome our students and parents to join us in cultivating a professional learning community.

10 10th Grade Seats Also Offered

ACADEMICS

- Through the Business Pathway, students can graduate with MOS certification, earn SUNY and CUNY college credits and intern with top NYC firms.
- The CFI program allows students to apply scientific approaches to real world scenarios and learn about careers in Forensic Science & Criminalistics
- The Health Careers Pathway prepares students for College and Career Readiness in the field of Health Sciences through hands on projects and inquiry.
- The International Academy is a dynamic community of ELL’s from over 30 countries taking courses intended to prepare them to be College/Career ready.
- The Law Pathway educates students about the law and its applications while empowering them with the skills needed for careers in the legal field.

■ SCHOOL OVERVIEW

Our school is known for being academic, artistic, and athletic while providing a warm and welcoming community. Our teachers meet weekly in either grade teams or departments to create rich and meaningful experiences for students. All students have a CORE teacher responsible for monitoring their academic and social/emotional progress. We have a partnership with College Bound Initiatives (CBI) which provides our students and families with a full-time college counselor. Come to a place where people know you well and are dedicated to supporting your future goals. Many of our staff members have been here for more than 10 years and our graduates often come back and visit. Be a part of the Wagner family!

10 10th Grade Seats Also Offered

■ ACADEMICS

- Students have a myriad of academic opportunities at Wagner including but not limited to art classes which include Drawing, Drama, and Digital Arts.
- We offer Advanced Placement courses in United States History and English.
- Year-long introductory courses in Arts and Technology for ninth graders; Student Government Association
- National Honors Society, Piano, Music Composition, Visual Arts, Advanced Drawing and Painting, Theater, Advanced Theater
- CUNY College Now; Early College opportunities; Middle College National Consortium student leadership conference, monthly town hall meetings

SCHOOL OVERVIEW

Goddard High School for Communication Arts and Technology provides students with a challenging academic program to prepare them to be successful in high school and college. We foster critical thinking and creative artistic expression to give our students the skills they need to achieve their future goals. Classrooms are equipped with the most cutting-edge technology to fully immerse and engage students in the content they are learning. Our STEM science lab and digital art studio allow students to generate expressive and compelling projects through the use of a 3D printer, Apple Macbook Pros, and Photoshop. Enrichment activities include theater productions, college trips, trips to science laboratories, and visits to the MOMA and MET.

SCHOOL OVERVIEW

Rockaway Collegiate High School (RCHS) provides an enriched college preparatory program. We offer a collaborative educational experience in which talented students are challenged to expand their intellect and develop the habits of inquiry, expression, critical thinking, problem solving, research, and presentation. We ensure this with the development of consistent structures, additional time, and support when needed. Personalization is valued at RCHS where each student is known well by at least one adult through an individualized student success plan which outlines the steps each student needs to take, informed by precise data, to be academically successful. Every student is expected to complete portfolios and pass Regents exams.

ACADEMICS

- Academic Portfolio required
- iLearnNYC: Program for expanded online coursework and self-paced learning
- College Preparatory Classes, Early College Access – CUNY College Now Program through Kingsborough Community College and York College
- Job Training/Certification—COOP Tech Program, STEM Program—Project Lead the Way, Sign Language, Career and Financial Management
- Career Readiness, Saturday School, PM School, Regents Prep Courses, Dance, Drama, Music, Chorus, Art, Weight Club, Advisory Program, Mentoring

English Language Learner Programs: English as a New Language

Language Courses: Spanish

Advanced Placement (AP) Courses: English, Environmental Science, Statistics

ACTIVITIES

Chess, STEM Club, Drama, Internships, Music, Chorus, National Honor Society, Percussion, Step/Dance Team, Student Government, Visual Arts

SCHOOL OVERVIEW

Scholars' Academy is an academically accelerated high school that prepares students for college and careers of the 21st Century. Comprised of multi-talented students, our diverse student body is challenged by an ambitious curriculum in English, math, science, social studies, Spanish language, and the arts. College level or Advanced Placement (AP) courses are available starting in sophomore year. Teachers work closely with students on an individual basis within a school-wide cooperative group structure to ensure their success. High school students follow a strict dress policy and students are expected to perform at a high level academically. Students participate in educational trips and events such as March to College and Spirit Week.

ACADEMICS

- iLearnNYC: Program for expanded online coursework and self-paced learning
- Students complete most graduation requirements by the end of grade 10
- All students take AP courses in 11th and 12th grades; Many apply for internships
- College credit at St. Francis College; Elective courses in media, visual arts, drama, technology, and music; Advanced courses in visual arts
- Online courses offered in 12th grade.

SCHOOL OVERVIEW

At World Journalism Preparatory, journalism is a tool used to share learning and practice the habits of critical thinking in regard to citizenship and democracy. Student publications include a school newspaper, magazine, news broadcast program, podcasts, websites, and blogs. Opportunities to be immersed in journalism exist through fieldwork, creative projects, performances, interviews, and readings set in the community. The school has writing labs for parents as well as students. Students visit television networks, newspapers, publishers, colleges, and other post-secondary schools.

Program Description: Honors-level sequence of courses in science, technology, engineering, and math. This challenging scholastic experience includes preparation for authentic science research and writing in signature national science competitions (Intel, Westinghouse, and Siemens). Students will publish a science journal (non-print) of original science research under the mentorship of leading science teachers, scientists, and publishers.									

SCHOOL OVERVIEW

The mission of York Early College Academy is to develop the skills needed for success in college and careers. College preparation is continually communicated to our students. This goal is expressed by teachers, parents, and the surrounding, supportive community. In addition to a challenging and advanced academic curriculum, we are pleased to offer students the opportunity to graduate from our school with between 40-60 college credits. Our students have the full support of York College, the Early College Initiative, and the Department of Education. York Early College Academy is an open road to college.

SCHOOL OVERVIEW

The Young Women’s Leadership School (TYWLS) nurtures the intellectual curiosity and creativity of young women by supporting the whole girl in order to maximize academic achievement, social-emotional well-being, and postsecondary success. TYWLS-Queens is supported by Young Women’s Leadership Network and its CollegeBound Initiative to replicate the best practices of private and independent girls schools. TYWLS-Queens opened in 2005 as the third school in the network. TYWLS-Queens strives to instill in students a sense of self-efficacy and community responsibility, characteristics that will support them as they become the leaders of the next generation. TYWLS-Queens expects families to play an active role in their daughters’ education.
