MIDDLE SCHOOL DIRECTORY

The information in this directory is accurate at the time of publication, but may be subject to change. For the most up-to-date information, contact middle schools directly. Maps: Certain middle school zones cross district lines. This means you may be zoned to a middle school in a district different from the one in which your house appears on the map in this directory. To determine your zoned middle school, visit schools.nyc.gov/schoolsearch.

It is the policy of the New York City Department of Education to provide equal educational opportunities without regard to actual or perceived race, color, religion, age, creed, ethnicity, national origin, alienage, citizenship status, disability, weight, gender (sex) or sexual orientation, and to maintain an environment free of harassment on the basis of any of these grounds, including sexual harassment or retaliation. Inquiries regarding compliance with appropriate laws may be directed to: Director, Office of Equal Opportunity, 65 Court Street, Room 1102, Brooklyn, New York 11201. Telephone 718-935-3320.

ACTION STEPS CHECKLIST

Use this Action Steps Checklist to plan out your fifth-grade year.
Check the exact deadlines with your guidance counselor.

SEPTEMBER

- Review the Middle School Directory.
- Meet with your guidance counselor to discuss your middle school options and the Request for Testing (RFT) form where applicable.
- Contact schools of interest about open houses, information sessions, and audition dates.
- Check the middle school website for important dates: schools.nyc.gov/middle.
- Attend the District Middle School Fairs.

OCTOBER

- Attend the District Middle School Fairs.
- Return RFT to your guidance counselor, if applicable.
- Attend information sessions and open houses.
- Review Admissions Priorities for each school.

NOVEMBER

- Receive the Middle School Application.
- Check your commute for schools of interest.
- Get your application ready:
 - Rank the schools you are interested in attending.
 - Sign and make a copy of the application.

DECEMBER

- Submit your completed application to your guidance counselor by Thursday, December 1, 2016.

JANUARY/
FEBRUARY

- Attend auditions and interviews.
- Complete school-based assessments and/or portfolios.

MARCH

- Receive and return New Middle Schools Application to guidance counselor (optional).

APRIL

- Middle school results letters distributed to families by guidance counselors.

MAY

- Students who submitted a New Middle Schools Application and received two matches, return notification letter to guidance counselor with choice of which match to accept.
- Students who wish to appeal must also return notification letter to their school, then return completed Appeal Application.

JUNE

- Middle School appeal results distributed to families.

WELCOME

TO MIDDLE SCHOOL ADMISSIONS

Middle school is a new and exciting time for children and families. Residents of New York City are able to apply to a wide range of middle school options that offer children a rich variety of opportunities to explore their interests. It is our hope that this directory will help you find a school that suits your child's needs, interests, and aspirations during this exciting and important time.

This directory contains information about all public middle schools that are open to students and residents in this district. This introduction will guide you through Middle School Admissions, from learning about schools to submitting your application.

These additional resources will also help in your Middle School Admissions journey.

Website

Receive admissions and enrollment help from a Family Welcome Center staff member. Family Welcome Center locations are listed on the inside back cover of this directory.

1.0 HOW DO I PARTICIPATE IN MIDDLE SCHOOL ADMISSIONS?

Receiving My Application

In order to participate in Middle School Admissions, you must submit a Middle School Application by Thursday, December 1, 2016. The application will be personalized for your child and includes all of the middle school programs to which your child may apply.

If your child is eligible for any new NYC Department of Education schools or programs, you will be invited through your child’s guidance counselor to apply to these programs in February. Applying is optional. If your child receives a match to a new school or program, you will have to choose between your new school match and your main round match.

A match means the student has received a placement in that program for the following school year. Most students are matched to one of the programs ranked on their Middle School Application, although it is not guaranteed. If your child does not match to one of the programs ranked on his or her application, s/he will receive a placement in a school where s/he is eligible to attend middle school. This could be either: (1) a school in the district to which s/he is zoned to attend middle school or, when different, (2) the district where s/he attends public elementary school.

What happens if my child is not currently enrolled at a New York City public school?

Students not currently enrolled in a New York City public school—which means students currently attending a private or parochial school or new to New York City—will need to

request an application for the district in which they live from a Family Welcome Center. When you request an application, provide the Family Welcome Center with a 2016 report card from your child's school with grades, attendance, and academic and personal behavior competencies so that they may be included as part of the admissions process.

Private and parochial students are eligible to attend middle school in the district in which they are zoned for middle school or any programs open to their borough or New York City.

See the inside of the back cover for a list of Family Welcome Center locations.

Completing My Application

All New York City public elementary school fifth graders receive a personalized application from their current school in November. This application will contain information about the student and will list all of the middle schools to which that student may apply.

To complete your child's Middle School Application, you will need to review parts 1, 2, and 3, rank schools in part 5, and sign and date the application in part 6.

Reviewing the Application

Please note that a copy of this application must be retained for six years including the year of application per Chancellor's Regulation A-820 and NYSED Records Retention and Disposition Schedule ED-1.																																		
Middle School Liaison Name (please print)		Middle School Liaison Signature	Date																															

Part 1

Student Information:

Student information printed here comes directly from your child's current school.

Part 2

Academic Information:

The academic information printed in this part (including your child's most recent standardized test scores and special needs information) comes from your child's current school.

Part 3

Academic Assessment: For School Use Only:

This part will be pre-populated with your child's 4th grade report card, academic and personal behavior competencies, and last year's attendance record.

Make sure that information for parts 1, 2, and 3 is correct. If any information needs to be updated, please contact your elementary school.

1.0

Ranking Your Programs

In part 5 of the application, you will rank all of the middle school programs your child is interested in attending, in your order of preference. You should rank the program you most want your child to attend with a “1”; your second choice with a “2”; and so on. You may rank up to 12 programs on your application. Do not write in other programs because they will not be considered.

5 MIDDLE SCHOOL OPTIONS

Parent/Student: Please read the instructions below carefully before completing your application.

This “1” means that this is the program the student is most interested in attending.

Choice Number	District	Program Code	School Name/Program Name
2	1	M378L	School for Global Leaders
3	21	K239CM	Mark Twain (I.S. 239) Magnet Program - Computer/Math
1	21	K239VO	Mark Twain (I.S. 239) Magnet Program - Vocal
	1	M332S	University Neighborhood Middle School
4	1	M140S	The Nathan Straus Preparatory School of Humanities (P.S. 140)
	1	M301S	Technology, Arts, and Sciences Studio

After ranking your favorite programs, rank other programs you’d prefer over your least favorite programs. Remember, if you do not match to a program you’ve ranked, you will be matched to a program with availability in your district.

Signing and Submitting My Application

Applications must be signed and dated in part 6. Return the completed application to your child’s middle school guidance counselor by Thursday, December 1, 2016.

6 PARENT/GUARDIAN NAME & SIGNATURE

Applications must be signed and dated.

Parent/Guardian Name (please print)

Parent/Guardian Signature

Date

Schools Not on Your Middle School Application

School-Based Application Schools: Some middle schools in this directory have a school-based application process. These schools do not participate in Middle School Admissions and will not be listed on your child’s Middle School Application. Schools with their own application processes will not have any program information listed on their directory school page. Please contact these schools directly or visit the school’s website for more information about how to apply.

Charter Schools: Charter schools manage their own admissions, and will not be on your application. If you are interested in any charter schools, please contact them directly for more information about how to apply. For more information on charter schools, please see section 5.3 “Charter Schools.”

2.0

HOW DO I USE THE MIDDLE SCHOOL DIRECTORY?

When looking for middle school programs to apply to, it is important to think about what will help your child learn and grow. Start by thinking about what matters to you and keep this in mind as you explore schools and programs in this directory.

This sample school page below shows you what a typical Middle School Directory school page looks like and includes all the information you want to review. Keep reading to learn how to use each section.

City Lane School (I.S. 123) | 99A123
BOROUGH-WIDE SCHOOL

Students at I.S. 123 benefit from engaging and high-quality classroom instruction alongside exciting extracurricular activities. Our curriculum promotes academic achievement, social development, and leadership skills. Students enjoy the personalized attention they receive in our small and nurturing classrooms. Our teachers work to develop an educational experience based on the unique needs of each student. Parents appreciate that our school is small, personable and fosters the intellectual and social growth of our students. We strive for academic excellence and believe that every child can and will succeed academically.

2.1 School Overview

Use this section to learn about a school’s vision and basic information. When reviewing this section, you should do the following:

Learn about the school’s site accessibility. For more information on accessibility, please see section 5.1 “Accessibility.”

Use the school’s contact information to reach the school to ask questions and learn when you can visit an open house.

BOROUGHWIDE SCHOOL

Neighborhood: Downtown
Address: 1738 City Lane, Brooklyn, NY 99999
Shared Building: No
Site Accessibility: Accessible
Contact Name: Ms. Johnson, Principal
Email: example@schools.nyc.gov
Phone: 718-555-5555
Website: schools.nyc.gov/choicesenrollment/middle
Subway: X, Y, Z to City Lane
Bus: B25, B26, B44

See if it is a Zoned, District, Boroughwide, or Citywide middle school.

- **Zoned Schools:** Open only to students residing in the zone.
- **District Schools:** Have one or more programs open to students or residents of the district.
- **Boroughwide Schools:** Have one or more programs open to students or residents of the borough.
- **Citywide Schools:** Open to residents of New York City.

School Location and Transportation

It is important to consider where schools are located in relation to your home. In section 6.1 “District Middle School Map,” there is a map that shows the location of all the middle schools in this district. The map includes all middle schools in the district, including middle schools that you would apply to through Middle School Admissions, charter schools that have a separate admissions process, and schools that require a school-based application, if applicable. Research your child’s train and bus route options for schools of interest.

For a summary of student transportation, please see section 5.7 “Student Transportation.”

2.2 School Performance

Use this section to compare the performance statistics for each school and think about how they will help your child meet his or her goals:

SCHOOL PERFORMANCE

90% of students passed core courses	11% attend high school at Chambers Street High School	93% of students feel safe in the hallways, bathrooms, locker room, and cafeteria
34% of students were proficient on the State English Test	9% attend high school at Adams Street High School	<i>Search 99A123 at schools.nyc.gov/accountability for more about this school’s performance and demographics.</i>
28% of students were proficient on the State Math Test		

The school performance section contains the following for each school:

- **Course and Test Results:** The percentage of students who passed courses in the core subjects (English, math, social studies, and science), and the percentage of sixth, seventh, and eighth grade students who scored at Level 3 or 4 on the New York State English and Math tests.

- **Most Commonly Attended High Schools:** The NYC Department of Education high schools most commonly attended by last year’s graduates of this school, and the percentage of graduates who attend each.
- **School Survey Results:** The percentage of students who feel safe in the hallways, bathrooms, locker room, and cafeteria as reported on the NYC School Survey.

For more information on school performance, see section 5.2 “Accountability.”

2.3 School Information

Use this section to learn about student life at this school, including courses and activities.

■ SCHOOL INFORMATION		
SCHOOL LIFE	COURSES	ACTIVITIES
Total Students: 237 Grades: 6-8 Community School: Yes School Day: 8am-2:25pm Uniform: Yes English Language Learner Program: English as a New Language Community Service: Yes Extended Day: Yes Summer Session: Yes Weekend Program: Yes	Language: French, Spanish Accelerated: Algebra I, Living Environment Electives: Chorus, Debate, Drama, Multimedia Production, Robotics	Book Club ■ Cheerleading ■ Chess Club ■ Dance ■ Leadership Club ■ Drama ■ Martial Arts ■ American Sign Language ■ Music Production ■ Regents Preparation ■ Specialized High Schools Preparation Courses CHAMPS Sports—Coed: Fitness Club, Volleyball Other Sports: Baseball, Basketball, Tennis

You can learn about the following in this section:

- The number of students who were enrolled in grades six through eight as of November 2015.
- If the school is a Community School. For more information, see section 5.4 “Community Schools.”
- The English Language Learner programs offered by the school last year. For more information, see section 5.5 “English Language Learners.”

Stop & Learn This is the end of section 2.0 “How Do I Use the Middle School Directory?” Complete the activity “Middle School Directory Scavenger Hunt” before you move onto the next section.

STUDENT ACTIVITY

MIDDLE SCHOOL DIRECTORY SCAVENGER HUNT

Complete the scavenger hunt below using the Middle School Directory page of a school you are interested in. Fill in each box with information about that middle school.

How many students go to this school?

How might I get to this school from where I live?

What phone number, email, or website can I use to get information on how to visit this school?

What time does a typical day start for sixth graders?

What are two *courses* this school has?

What are two *activities* this school has?

3.0 HOW ARE MIDDLE SCHOOL MATCHES MADE?

Your child will be matched to his/her highest possible program choice based on the following:

- **Your Program Choices:** The order in which you rank programs on the application. (See section 3.1)
- **Admissions Priorities:** The order in which applicants are considered for placement. A program that gives preference to zoned students is an example of an Admissions Priority. (See section 3.2)
- **Admissions Methods:** The way schools consider and admit applicants. A program that screens students is an example of an Admissions Method. (See section 3.3)
- **Seats:** The number of seats offered at each program. (See section 3.4)

3.1 Your Program Choices

Rank up to 12 choices in order of preference. Students will be matched to their highest possible choice taking into consideration Admissions Priorities, Admissions Methods, and seats.

When you fill out the Middle School Application, you are not just applying to schools, you are applying to programs.

- You can think of programs as “doorways” through which schools accept students.
- If a school has multiple programs, eligible students may apply to one program or more than one program at that school.
- Programs at the same school may have different Admissions Priorities and Admissions Methods. You may decide to apply to one program over another based on its admissions or because it has a particular theme.

Note: Screened programs in Districts 1, 2, 3, 4, 5, 13, and 14 will see how you rank them, which may affect your application choices. See section 6.0 “Specific Information for This District” to learn if this applies to you.

Zoned Students: Students who are zoned to a middle school—or a campus containing multiple middle schools—have priority to attend that school or schools. To receive this priority, you must rank your child’s zoned school(s) on the Middle School Application. You do not need to rank your child’s zoned school(s) as your first choice to receive the priority. You should, however, rank your programs in the order that you’d like your child to be considered for them.

Students in Continuing K-8 Schools: Students are guaranteed to match with their continuing school if they place it on their application. Students will first be considered for programs they rank higher on their application. You do not need to rank your child’s continuing school as your first choice to receive the guarantee.

6.0

3.2 Admissions Priorities

Admissions Priorities determine the order in which applicants are considered for placement in a middle school program. If a program has multiple Admissions Priorities, students who fall into the first priority group will be considered for placement first. Students who fall into higher priority groups have a better chance of getting into a particular program than students who fall into lower priority groups. Schools with multiple middle school programs may have different Admissions Priorities for those programs, so be sure to review carefully the “Program Admissions” section on school pages.

Let’s review an example of Admissions Priorities from a school page.

Admissions Priorities

PROGRAM ADMISSIONS			Prior Year Admissions				
Program Name	Code	Admissions Method	Type	Applicants	Seats	Applicants Per Seat	Seats Filled
(I.S. 123) Academic Honors Program	A123S	Screened	GE	225	55	4	Y
			SWD	75	18	4	Y
Eligibility: Open to students and residents of Brooklyn Admissions Priorities: ❶ Priority to students and residents of the District ❷ Then to students and residents of Brooklyn. <i>Last year, this program admitted students from all priority groups.</i> Selection Criteria: Academic and Personal Behaviors ■ Attendance ■ Final 4th Grade Report Card ■ Punctuality ■ 4th Grade New York State ELA and Math Exams							
(I.S. 123) Zoned Program	A123Z	Zoned	Zoned				
Eligibility: Open to students residing in the zone							

This means that priority group 1 is all students and residents of the district who ranked this program on their applications. These students will be considered before priority group 2, which is all Brooklyn students or residents who ranked this program on their application.

This also tells us that last year, applicants from both groups were matched with this program. This illustration shows what the Admissions Priorities look like for the program above:

Here are common Admissions Priorities used to determine matches:

What you will see in the directory	What it means
“Priority to continuing 5th graders”	Continuing Fifth Graders Priority: Students who are already enrolled at a K-8 school and who list their school on their application will have priority over other applicants.
“Priority to students and residents of the District”	Geographic Priority: Students may have priority based on the district, borough, or geographic area in which they live and/or go to school. (If a student lives and goes to school in different boroughs or districts, that student has priority in both places.)
“Priority to New York City residents who attend an information session”	Limited Unscreened Priority: Students who signed in at a program’s open house or at the school’s table at a fair are put in a higher priority group. (This happens at programs that use a “Limited Unscreened” Admissions Method.)
“Priority to students who apply and live in the zoned area.”	Zoned Priority: Students who live in a certain area will have priority. To find out if you live in a zoned area, check your application or visit schools.nyc.gov/SchoolSearch

The Types of MIDDLE SCHOOL ADMISSIONS METHODS

3.3 Admissions Methods

Admissions Methods are the ways in which middle school applicants are admitted into programs. The seven types of Admissions Methods are explained in more detail below:

PROGRAM ADMISSIONS							
Program Name	Code	Admissions Method	Type	Prior Year Admissions			
				Applicants	Seats	Applicants Per Seat	Seats Filled
(I.S. 123) Academic Honors Program	A123S	Screened	GE	225	55	4	Y
			SWD	75	18	4	Y
<p>Eligibility: Open to students and residents of Brooklyn</p> <p>Admissions Priorities: ❶ Priority to students and residents of the District ❷ Then to students and residents of Brooklyn. <i>Last year, this program admitted students from all priority groups.</i></p> <p>Selection Criteria: Academic and Personal Behaviors ■ Attendance ■ Final 4th Grade Report Card ■ Punctuality ■ 4th Grade New York State ELA and Math Exams</p>							
(I.S. 123) Zoned Program	A123Z	Zoned			Zoned		
<p>Eligibility: Open to students residing in the zone</p>							

Selection Criteria

Admissions Methods that DO NOT see your child’s academic information

Unscreened: In Unscreened programs, students who apply are randomly selected. If there are priority groups within an Unscreened program, students will be selected randomly within those priority groups.

Limited Unscreened: In Limited Unscreened programs, students are selected randomly with priority to students who demonstrate interest in the school by attending an information session, school tour, open house event, or by visiting the school’s table at the Middle School Fair. You must sign in at one of these events to receive priority to the school’s Limited Unscreened program(s).

Zoned: Zoned programs are open to students who live in the geographic zoned area of the middle school. To find out if your child is zoned to one or more middle schools, please visit schools.nyc.gov/schoolsearch or check your Middle School Application.

Talent Test: Talent Test programs base admission on a student’s exam performance in specified talent areas. Talent Test programs are found at several District 21 schools, including I.S. 239 Mark Twain, which is open to all NYC residents. Testing details are listed on Talent Test schools’ directory pages.

Admissions Methods that DO see your child’s academic information

Screened: Screened programs rank applicants using factors that may include final report card grades from the prior school year, reading and math standardized test scores, and attendance and punctuality. Some Screened programs have additional requirements like an interview, audition, writing sample, and/or diagnostic test. If you have any questions, contact the individual schools for more information.*

Screened: Language: Screened: Language programs use home/native language as the basis for admission. Interested students should review the program admissions to make sure they are applying to a program that matches their home/native language. Some Screened: Language programs may give priority to ELLs, participants of elementary school-level Dual Language and Transitional Bilingual Education programs in the target language, and/or heritage speakers of the target language. For more information on ELL models, please see section 5.5 “English Language Learners.”*

Composite Score: Composite score programs base admission on a combination of factors used to create one score for each student. Students are then placed in descending order based on their composite score and where the student ranked the program on their application. Composite score programs use a combination of academic and personal and behavioral characteristics.*

*Please note that, consistent with New York State law, state ELA and Mathematics test results will not be the sole, primary, or major factor in admissions decisions. Instead, multiple measures, which may include state test results, will be used to make admissions decisions for all Screened, Screened: Language, and Composite Score programs.

Selection Criteria describe the factors that determine how students match with a program. For **Screened**, and **Screened: Language** programs, the selection criteria describe what the school considers when ranking applicants. For **Composite Score** programs, the selection criteria describe what information is used to create each student's composite score.

Selection Criteria for **Screened** and **Composite Score** programs might include the following:

- Final 4th Grade Report Card
- 4th Grade State ELA and Math Tests
- Attendance and Punctuality From 4th Grade
- Academic and Personal Behaviors From 4th Grade

Academic and Personal Behaviors are a part of the fourth grade report card. Schools evaluate these behaviors along with the academic courses. The specific behaviors evaluated are:

- Manages time and consistently demonstrates effort to independently achieve goals
- Works in an organized manner
- Persists through challenges to complete a task by trying different strategies
- Asks for help when needed
- Respects school rules and works well in the school community

If a school is not evaluating these behaviors as a part of the report card, school staff will provide this information on the student's behavior in the fourth grade so that all students have the same information available for evaluation.

Fourth-Grade Information

Middle School Admissions uses information from the fourth grade to evaluate students for admission. School staff should not ask families to provide extra information in the form of report cards from additional years or separate recommendations from teachers.

3.4 Seats

Review the number of available seats in a program and the number of applicants for those seats during the prior year admissions. The number of applicants per seat will affect your chance of being matched. Programs that filled all seats in the Main Round are marked with a "Y."

Seats

PROGRAM ADMISSIONS				Prior Year Admissions			
Program Name	Code	Admissions Method	Type	Applicants	Seats	Applicants Per Seat	Seats Filled
(I.S. 123) Academic Honors Program	A1235	Screened	GE	225	55	4	Y
			SWD	75	18	4	Y
<p>Eligibility: Open to students and residents of Brooklyn</p> <p>Admissions Priorities: ① Priority to students and residents of the District ② Then to students and residents of Brooklyn. <i>Last year, this program admitted students from all priority groups.</i></p> <p>Selection Criteria: Academic and Personal Behaviors ■ Attendance ■ Final 4th Grade Report Card ■ Punctuality ■ 4th Grade New York State ELA and Math Exams</p>

1.0

2.0

3.0

4.0

5.0

6.0

Each middle school program has a specific number of available seats for incoming students. Available seats are divided into two groups:

- One group of seats is reserved for students who are part of the general education population and students who receive special education instructional programming for 20% or less of their academic program (GE).
- The second group of seats is reserved for students who receive special education instructional programming for more than 20% of their academic program (SWD).

Student applications will automatically be assigned to one group of seats. For students with disabilities, this is based on the services they are currently receiving according to their Individualized Education Program (IEP). The number of available seats in each group is based on the percentage of students with disabilities receiving services in fifth grade in that school's district.

Seats are used for admissions purposes only; all students with IEPs will receive the services listed on their IEPs. The number of available seats for each group of students in the prior year is shown next to each program.

Middle School Fairs

After you've explored schools and programs using the Middle School Directory, start planning your visits to **middle school fairs and open houses** to learn more about the middle schools in your district.

2016 Middle School Admissions Key Dates

TUESDAY September 27	WEDNESDAY September 28	WEDNESDAY October 5	THURSDAY October 6
-----------------------------------	-------------------------------------	----------------------------------	---------------------------------

Middle School Fairs

All district middle school fairs will take place on one of the above dates.
Check the Middle School Admissions website below for updates.

Middle school fairs will take place in September or October. At the fair, you will be able to meet school staff and ask questions about specific programs and offerings. Information about middle school fairs will be available from elementary schools and online at schools.nyc.gov/middle this fall.

School Open Houses and Tours

2016 SEPTEMBER	2016 OCTOBER	2016 NOVEMBER
-------------------	-----------------	------------------

Many middle schools offer open house/school tour events where you and your child can see the school, meet staff members, and ask questions. Before you visit, prepare a list of questions for school staff about the school's culture, course offerings, and activities. You can also use the "Asking Questions at Middle School Events" activity on the next page. For information about school open houses/school tours, please contact middle schools of interest directly.

School Visits: When visiting schools, always sign in clearly because some programs will use this to move you to a higher priority group.

Stop & Learn This is the end of section 4.0 "How Do I Learn More About Schools and Programs?" Complete the activity "Asking Questions at Middle School Events" before you move onto the next section.

STUDENT ACTIVITY

ASKING QUESTIONS AT MIDDLE SCHOOL EVENTS

Asking Questions: When you speak with a school staff member at a fair or open house, try to ask one question from each box. Create your own questions to learn more about a school.

Cut out this page and bring it when you visit schools and fairs!

School Culture

How can I get extra help with my homework?

Can I participate in community service?

What makes your school special?

My question: _____

Being a Sixth Grader

What time does the day start and end for sixth graders?

Are there activities just for sixth graders?

How does your school welcome new sixth graders?

My question: _____

Courses

What are some examples of courses students can take?

What are your most popular courses?

What makes your school's courses different from other schools?

My question: _____

Activities

What are some examples of clubs at your school?

When during the school day can students participate in activities?

How do students learn about clubs and activities at your school?

My question: _____

Admissions

Where can I sign in?

Do my family and I need to do anything to apply?

What are your Admissions Priorities?

My question: _____

5.0 ADDITIONAL MIDDLE SCHOOL ADMISSIONS INFORMATION

5.1 Accessibility

The Department of Education is committed to ensuring that its programs, services, and activities are accessible to staff, members of the school community, students, and family members with disabilities. The Department of Education assesses its buildings on a continuing basis to determine which schools are accessible to individuals with disabilities.

Accessible Schools are located in a fully or partially accessible building where an individual with mobility impairment may enter and access all relevant programs and services, including the science laboratory, library, cafeteria, and the gymnasium; in some cases, school programs may need to be re-located to accommodate access. At least one restroom is accessible. For the most up-to-date information on the accessibility of each school, please contact the school directly. Families are encouraged to visit schools to learn about the level of accessibility. For more information, please visit schools.nyc.gov/Offices/OSP/Accessibility.

5.2 Accountability

The New York City Department of Education collects information about school practices and student outcomes, which can help identify each school's strengths and areas for improvement. This directory contains some of this information, which is listed on school pages and explained in more detail below. If you have questions about this section, please speak to your school's guidance counselor or visit schools.nyc.gov/accountability, where you can find detailed information on each school's performance in their School Quality Reports. Average performance data for schools in this district during the 2014-2015 school year can be found in section 6.0 "Specific Information for This District".

The school performance section contains the following for each school:

- **Course and Test Results:** The percentage of students who passed courses in the core subjects (English, math, social studies, and science), and the percentage of sixth, seventh, and eighth grade students who scored at Level 3 or 4 on the New York State English and Math tests.
- **Most Commonly Attended High Schools:** The NYC Department of Education high schools most commonly attended by last year's graduates of this school, and the percentage of graduates who attend each.
- **School Survey Results:** The percentage of students who feel safe in the hallways, bathrooms, locker room, and cafeteria as reported on the NYC School Survey.

5.3 Charter Schools

Charter schools are independent public schools founded by not-for-profit Boards of Trustees that operate under a contract or “charter” of up to five years. Many charter schools have unique educational approaches that may include longer school days, a longer school year, and/or thematic programs. Any student eligible for admission to a New York City public school is eligible for admission to a public charter school.

Please note that applying to a charter school does not guarantee placement. If the number of applicants exceeds the number of available seats at a charter school, the charter school must conduct a lottery to determine admissions. Interested students or families should contact each charter school directly to receive specific information about the school’s application process.

If you are interested in applying to a NYC charter school, you can apply to a school directly (visit the charter school’s website for details), or you can apply to multiple charter schools at once using the online Common Charter School Application, which can be found at: www.nyccharterschools.org/apply.

For a list of charter schools, please refer to the back of this directory. Visit schools.nyc.gov/charters or call 212-374-5419 for more information about charter schools in New York City. For information about specific charter schools, contact the schools directly.

5.4 Community Schools

Community Schools offer an integrated focus on academics, health and mental health services, youth development, expanded learning opportunities (inclusive of after-school and summer enrichment activities), and family and community supports to ensure that students are ready and able to learn, and graduate college and career ready. Each community school serves as a hub where parents and family members, community-based partners, community members, and school staff come together to coordinate and integrate a range of supports based on the assets and needs of individual students.

5.5 English Language Learners

English Language Learners (ELLs) may apply to any of the programs listed in this directory. All New York City Department of Education schools provide a range of supports and services for ELL students to develop their English proficiency and prepare them for success in school, college, and/or careers.

There are three different ELL service delivery models offered in New York City public middle schools:

Program	Definition
English as a New Language (ENL)	English as a New Language programs, which used to be called English as a Second Language or ESL, provide instruction in English with support in the students' home language so that they can learn to read, write, and speak English. Students in this program can come from many different language backgrounds, and English may be the only common language among them.
Transitional Bilingual Education (TBE)	Transitional Bilingual Education programs provide reading, writing, and other classes in English and in your child's home language. As students' English improves, time spent learning in English increases and time spent learning in the home language decreases. Once your child is no longer identified as an English Language Learner, he or she will exit the program.
Dual Language (DL)	In Dual Language programs, students are taught in two languages: English and their home language, such as Spanish, Chinese, or French, among others. The goal of this program is for students to be able to read, write, and speak in both English and their home language. In Dual Language classes, the home language and English are used equally.

This directory indicates which of the ELL service delivery models above are currently offered in each middle school, based on school reported data.

All middle schools must provide the ELL Parent Survey and Program Selection Form at the parent orientation meeting which is offered to all newly-identified ELLs. If you do not receive this form, please request it from the school. You may use the form to indicate your preferred ELL service delivery model, even if your middle school does not currently offer it. Middle schools will be identified for a Dual Language or Transitional Bilingual Education program when there are 20 or more ELLs with the same native language in any single grade whose parents/guardians request either Dual Language or Transitional Bilingual Education. In this way, parents can influence which ELL service delivery models are offered in their child's school.

For the most up-to-date information regarding ELL service delivery models, please contact schools directly. For more information about services and supports for English Language Learners (ELLs), please call 212-323-9559, email ellfamilies@schools.nyc.gov, or visit the Division of English Language Learners and Student Support website: nyc.gov/schools/Academics/ELL.

5.6 Special Education Services

Students with disabilities may apply to all schools and/or programs listed in this directory, including all Screened and Audition programs, and are subject to the same admissions requirements as their general education peers. If the student's IEP contains testing accommodations, those accommodations will be provided when the student tests or auditions as long as they do not change what the test is measuring.

1.0

2.0

3.0

4.0

5.0

6.0

Every middle school participating in Middle School Admissions is expected to welcome and serve students with disabilities in accordance with their IEPs. The IEP team at the middle school will review the IEP to ensure that all services and supports are in place. In some cases, the IEP team may need to refine the IEP to better meet student needs.

Middle school programs have a group of seats for students whose IEPs specify special education instructional programming for more than 20% of their academic program. Special education instructional programming includes Integrated Co-Teaching (ICT) classes, Special Class (SC), and Special Education Teacher Support Services (SETSS). Related Services, such as speech, occupational therapy (OT), and physical therapy (PT), are not considered special education instructional programming for the purposes of Middle School Admissions. Seats are used for admissions purposes only; all students with IEPs will receive the services listed on their IEPs.

Students with disabilities who are recommended for and who have attended a District 75 program and are considering a middle school outside of District 75 should work with their IEP team to determine whether the recommendation for District 75 for middle school is still appropriate. If the student's IEP team determines that the student no longer needs District 75, then the student participates in Middle School Admissions. Students whose IEPs recommend a District 75 program and whose IEP team determines that the student will continue in a District 75 program for middle school are not required to participate in Middle School Admissions. These students are notified of their middle school placement in May or June by their District 75 schools. For more information, visit schools.nyc.gov/Academics/SpecialEducation.

5.7 Student Transportation

The New York City Department of Education offers transportation to middle school students based on these criteria:

- Students in sixth grade are provided with free transportation if they live one mile or more from the school; if they live closer than that but more than ½ mile from the school, a half-fare MTA bus pass is available on request from their school. Free transportation is provided as either a yellow bus or a MetroCard. Students receive yellow busing if (i) their school has bus service, (ii) they live in the same school district as their school, and (iii) if a stop exists, or can be created. Stops cannot be created if they make the existing route longer than five miles, as measured through each stop to the school.
- Students in seventh grade and above are provided with MetroCards if they live 1½ miles or more from school. If they live closer than that but more than ½ mile from school, a half-fare MTA bus pass is available on request from their school.
- Students receiving special education services who are mandated to receive specialized transportation on their most recent IEP are placed on bus routes to and from the school they attend. In addition, parents may request additional medical accommodations based on their child's special needs which may also affect the type of vehicle or route on which the student is placed. For more information about transportation, call the Office of Pupil Transportation at 718-392-8855 or visit schools.nyc.gov/offices/transportation.

6.0 Specific Information for District 30

Students interested in the Gifted & Talented (G&T) Programs are expected to apply. Until we reach the admissions process for students beginning middle school in September 2019, students in existing elementary G&T programs have a priority for admission to the middle school G&T programs in the following manner:

Elementary School G&T Program	Middle School G&T Program
30Q122	30Q122
30Q150	30Q122
30Q166	30Q126
30Q085*	30Q300

Remaining seats after the elementary G&T students are accommodated will be filled with other students in the district. If students in the elementary G&T programs want to apply to programs other than the historical feeder patterns listed above, they may do so, but they do not have any priority for admission to the other G&T programs.

These priority structures are phasing out and will no longer be used beginning with September 2020 admission. At that time, all students will be placed based solely on their composite score, regardless of whether or not they participated in an elementary G&T program.

The G&T programs at 30Q122, 30Q126, and 30Q300 previously admitted students based solely on test score. The New York State Legislature passed a law in 2014 prohibiting the use of test score as the sole, primary, or major factor in admissions decisions. In accordance with this law, these programs will now admit students based on multiple measures combined into a composite score.

What is the performance of a typical District 30 middle school?

97%	of students passed core classes
29%	of students were proficient on the State English Test
36%	of students were proficient on the State Math Test
90%	of students feel safe in the hallways, bathrooms, locker room, and cafeteria

*The citywide program at 30Q085 is phasing out and being replaced by 30Q300. Students who entered kindergarten in September 2013 are the last citywide G&T students at 30Q085. When those students enter grade 6 in September 2019, they will be the last group of students to receive priority admissions to 30Q300.

District Schools

All District 30 residents may apply to middle schools in this section.

We provide a diverse education in a supportive environment that promotes self-discipline, motivation, and excellence in learning. Our spirited atmosphere includes students wearing school uniforms daily and participating in teamwork initiatives. Our collaborations with parents and community partners help students to become self-sufficient and develop the skills needed to succeed and contribute responsibly to a global community.

We focus on providing our students with a challenging and global education while meeting the emotional, creative, and social needs of all students. We focus on critical thinking and problem solving through interactive literacy and math activities, enhanced through an integration of the arts into the core curriculum. Parents are actively involved in their children’s education and we share the joys of watching our children grow, learn new skills, and make friends. We implement the Renzulli Schoolwide Enrichment Model (SEM) in all grades and include parent talent, community volunteers, and experts from the community in developing an enrichment curriculum. By addressing the needs of all students, including our students with special needs, English Language Learners, and gifted students, the SEM Model engages all of the children in visual, musical, spatial, and kinesthetic activities through their interests and talents thereby enabling them to enhance their academic potential.

Community School 111Q has achieved success on the path to demonstrable improvement. A forerunner in Renewal efforts, we are implementing cutting edge educational programs that are supporting our scholars, parents, teachers, staff members, and the community. Our scholars engage in discussions with their peers and staff as they study academic and social theories and writing in all of the Core Subjects. We have implemented the Teacher’s College Writing Curriculum, evaluative portfolios in core subject areas, the use of daily formative assessments to monitor progress, independent reading, myON, and Mathletics computer-based interventions and a balanced approach to literacy, science, social studies, and math instruction.

Our Academy for the Intellectually Gifted at P.S. 122 is a district-wide Talented and Gifted program with a rich history. Our program design aims to maximize the degree of academic acceleration while providing a diverse array of enrichment opportunities and an emphasis on the physical, social, and emotional well-being of the exceptional students who are admitted to our school. We are committed to the goal of creating lifelong learners by providing a stimulating academic environment centered on students’ interests. Academic content work incorporates many opportunities to engage in problem-based learning (PBL), challenging and creative projects, and teacher assessments, as well as self or peer assessments. Students are well prepared for academic requirements of New York City’s specialized high schools. At “The Academy,” we welcome the constructive participation of all stakeholders. We recognize that vibrant home/school/community partnerships increase the chances of maximizing our students’ potential.

I.S. 126 is committed to providing a safe learning environment where all students are held accountable to reach high levels of academic achievement. We challenge our students with a rigorous curriculum and college readiness expectations. In addition to Regents classes, we offer preparatory classes for the Specialized High School Admissions Test (SHSAT) and the NYS State Exams. I.S. 126 has a partnership with City Year, who assist our students in developing their academic and leadership skills. We enrich our students through arts residencies with our partners. We have a science lab and computer labs that are state-of-the-art. These programs allow us to extend the academic rigor in the classrooms. I.S. 126 believes parents are equal partners in their children’s education. We foster an open door policy, where parents are encouraged to communicate and build successful relationships with school leaders. We offer bus service for eligible sixth graders.

At P.S. / I.S. 127 we strive to inspire students to pursue dreams beyond all expectations through the use of a diverse and rigorous curriculum. Our school offers three different program choices for English Language Learners (ELL). We have a Dual Language program that starts in kindergarten and continues through middle school. Students entering the Dual Language program are given a baseline assessment in order for our school to provide the best services to ELLs.

Our small learning communities foster a collaborative environment of family culture and mutual respect. The distinct bond between adults and children promotes intellectual and psychological growth in our students. Our open door policy fosters communication with parents, encouraging them to be partners in the education of their children. Our students perform in-depth investigations using resources made available to us by NASA to explore environmental changes that have occurred in Astoria over the years. We are involved in community drives and have raised donations for Winter Wishes, Pennies for Patients, and City Harvest. We are also the Magnet School for Mathematics, Technology, and Environmental Engineering. We use technology to transform teaching and learning. Our students use SMART Boards, SMART Response clickers, laptops, iPads, Chromebooks, and document projectors. We also use Achieve3000, Discovery Education, BrainPOP, Math Forum, Think Through Math, XP Math, and more.

The Louis Armstrong Middle School (LAMS), opened in 1979 with the mission of bringing together a group of culturally diverse children to help them grow academically, emotionally, physically, and socially. At LAMS, students are provided a personalized, caring, and supportive environment. The staff works to build the childrens’ confidence and work ethic in order to develop a sense of pride in their choices, actions, and quality of work. In addition to the core subjects, LAMS offers Accelerated Regents classes, foreign language classes, music classes, art classes, physical and adaptive fitness classes, and technology courses. The school is affiliated with Queens College, Vaughn College, National Middle School Association, and National School Reform Policy. Our school is an original recipient of the U.S. President Award For Excellence, has been recognized four consecutive years as a Reward Status School, and by the NASSP as being, “one of the top 100 most effective middle schools in the U.S.”

Intermediate School 230, The School for Civics in the Community, provides activities that engage, challenge, and stimulate students. Parents appreciate that we are a nurturing school, and as a result we are a very popular school. Our sixth grade academy is housed in our annex which is located directly across the street from the main building. The main building houses our seventh and eighth grades. The small learning community of the annex provides a very important transition for students entering middle school. Intermediate School 230Q has developed a positive reputation based upon our challenging academic curricula, supportive teachers, and safe environment. Each year, a very limited number of seats are available for students residing outside of our geographical zone in Jackson Heights.

The Academy for New Americans offers newly arrived immigrant students and their families the opportunity to adjust successfully to their new setting. The program offers a specialized curriculum that facilitates the acquisition of the English language through a one-year programmatic option. Our school is committed to providing the following services to our students: a welcoming climate that is conducive to English language acquisition, a specialized curriculum that focuses on English language proficiency, an environment that promotes self-esteem and addresses the needs of early adolescence, an introduction to the New York City school system, an emphasis on becoming familiar with American culture, computer literacy classes, support services such as counseling and tutoring, and a committed, well-trained staff that guides the students through the transition period as they become acclimated to our multicultural society.

The Young Women’s Leadership Schools (TYWLS) were established to nurture the intellectual curiosity and creativity of young women by supporting the whole girl in order to maximize academic achievement, social emotional well-being, and postsecondary success. TYWLS of Astoria is supported by The Young Women’s Leadership Network (YWLN) and its CollegeBound Initiative in order to replicate the best practices of private and independent girls’ schools. The school approaches learning in a dynamic, participatory fashion, encouraging students to take responsibility for their own learning. The school uses technology in nearly every class every day to create a meaningful, cutting edge 21st century learning environment. Students are provided with rigorous STEM, humanities, and arts opportunities as they prepare for college and becoming future leaders. TYWLS of Astoria is an Apple Distinguished School for Technology.

Students like our enthusiastic teachers who make learning interesting by bringing hands-on activities, field trips, and problem-based research opportunities to units of study. Students enjoy collaborating with a diverse group of peers through our advisory program, student-council, and PTA run celebrations. Our after-school options include a free five-day-a-week program run at our school by 82nd St Academics, as well as other choices. Parents value our high standards in all classes as well as our intervention and extension groupings for reading, writing, and math. Our online grading program allows families to stay updated on their child's academic and character progress. Our brand new shared building is located along the East River as part of the Hunter's Point South development area and contains a beautiful auditorium, music rooms, art rooms, and science labs. We are a fully inclusive school, meeting the needs of both gifted and talented students and students with physical disabilities.

Those who are successful in modern workplaces know how to ask the right questions—they are critical thinkers and researchers, strong problem solvers, and reflective practitioners. Teachers facilitate learning by setting up the classroom for students to engage with inquiry-based activities. For example, sixth grade students work in groups to answer the question, “How can we design water filters that filter out harmful substances, are cost effective, and can be built in a classroom?” Students research effective water filters, sketch out designs, build these designs, test designs, and, finally, redesign. Q300 differentiates itself by challenging students to develop these inquiry skills in all core subjects, as well as in engineering, computer science, the arts, and Spanish. We encourage students who may be considered “twice exceptional” to apply for we have academic and social/emotional supports in place to effectively meet their needs.

Boroughwide Schools

All Queens residents may apply to middle schools in this section.

Our school is known for being academic, artistic, and athletic while providing a warm and welcoming community. Our teachers meet weekly to create rich, meaningful curricula. All students have a CORE teacher responsible for monitoring their progress. Our college- and career-readiness curriculum helps our students become competitive candidates for college and prepares them for life beyond high school. Come to a place where people know you well and are dedicated to supporting your future goals. Many of our staff members have been here for more than 10 years and our graduates often come back and visit. Once you are part of the Wagner family, you will always be a part of the Wagner family!

P.S. / M.S. 42 achieves academic excellence for all students by supporting their strengths and needs. Our goal is to meet the Common Core Learning Standards while creating a learning environment that will boost all students to grade level and above. We build morale by instilling in our students, staff, and parents a sense of self-respect along with an appreciation for the diversity of the multicultural society in which we live, work, and learn. As a school community, we believe that students learn best through instruction that is tailored to their specific learning styles and needs. We have invested in technology to advance the skills of our students and make them competitive in today's world. All of our classrooms are equipped with SMART Boards, and over 110 laptops are available for students within classrooms. We provide parents with up-to-date information so that they can partner with the school to ensure that every child is college and career ready.

Brian Piccolo (M.S. 53) is a community school that provides a well rounded education. From our community BBQs to our neighborhood clothing drives and community celebrations, we strive to give back to our community. Parents appreciate our open-door policy and our welcoming community environment. They also enjoy the numerous after-school programs available. Our Parent Coordinator conducts parent workshops regularly and works collaboratively with our active Parent-Teacher Association (PTA). Our parents are also active members in the School Leadership Team (SLT) meetings. We have a new school playground with a track, basketball courts, football field, soccer field, handball courts, a climbing wall, balance beams, slides, a physical fitness area, a volleyball court, gazebo, and an outside classroom theatre.

Channel View School for Research (CVSR) is an Expeditionary Learning School that believes students learn best through a project-based approach. Students focus on character and career development by participating in small advisory groups called Crew. Our students are researchers, historians, urban planners, and scientists that investigate real world problems and develop creative, actionable solutions using cutting-edge technology. Our Oceanography/Robotics program uses drone technology that allows students to actively explore the aquatic ecology beneath Jamaica Bay and the Atlantic Ocean. Our program is highly engaging and pushes students to do their best while developing a culture of collaboration and teamwork.

The Waterside School for Leadership, along with its parents and community members, is a sixth through eighth grade middle school serving the diverse scholars of New York City. Collegebound Waterside Scholars are leaders of their lives, learning, and community. Waterside Scholars are expected to demonstrate a high degree of intellect, professionalism, and strong work ethic that reflects the mission and vision of the school. Waterside has a very warm and supportive environment that includes weekly advisory, regular contact with parents, ongoing conversations between home and school, and opportunities for challenging work. Students also get to use New York City as their classroom through various field trips and activities. Our primary purpose is to educate all scholars to the highest levels of academic achievement by providing a rigorous curriculum in a safe, healthy, and happy environment.

Scholars' Academy is a school-based competitive application school. Parents/students must apply for admission each November-December online via the school's website. A highly rigorous and exceptional school, the Scholars' Academy earned "Well Developed" ratings on the Quality Review. Scholars' Academy is an Innovation Zone Ambassador School. Scholars' Academy teachers and students collaborate using online tools to engage in projects which are Common Core-anchored and engaging. Scholars' Academy follows the Scale-Up cooperative learning model used by many top universities such as MIT. All students are expected to complete three high school Regents courses in middle school. The primary career and college readiness partner of the Scholars' Academy is Broadridge Financial Solutions, Inc. Broadridge executives provide career awareness training, on-site shadowing opportunities, mentoring, college essay support, and scholarships to select Scholars' Academy students. Friday dismissal is 1:12pm.

All students are encouraged to participate in school activities and community service as well as to develop meaningful relationships with adults in our school. Students enjoy the availability of interesting classes and after-school activities. There is an enrichment program to fit each student’s needs. Parents appreciate our various methods of making the home/school connection. We communicate with parents using the school messenger system which notifies parents of school events over the telephone, emails, and mailings. In addition, we provide informational workshops for parents. Parents also enjoy our new Parent Center which is complete with computers, a color printer, and comfortable seating. Our Parent Coordinator and Community Assistants are available to demonstrate Skedula, Acuity, and Access web-based programs for families. Parents/guardians also like our principal’s open-door policy, where they have an opportunity to meet with the principal, Academy principals, and school staff.

Our school is a community of instructional innovation that provides choices and options for young people to become critical thinkers and lifelong learners in an environment of care and respect. Our goal is to meet the need of every young person through collaboration, opportunity, and experience. Catherine and Count Basie Middle School is one of the best-kept secrets of District 28. Our school staff is committed to providing a high-quality and meaningful educational experience for each child. The school's environment supports students, parents, and staff in an effort to offer every child an opportunity for an excellent education. Our curriculum includes specialty courses, advisory courses, elective courses, and a range of extracurriculars, all within a challenging curriculum. We provide students with the opportunity to take educational excursions, visit colleges and universities, interact with political officials, and use their voices to impact change in our ever-changing society.

The Young Women’s Leadership School (TYWLS), Queens is structured to give each child individualized attention. We focus on nurturing the academic, social, and developmental growth of our students. We expect our students to go above and beyond the New York City and New York State school graduation requirements as we prepare them for college. Our parents appreciate the personalized attention their family receives. We use PupilPath, a web-based communication system to inform our parents of their daughter’s academic progress. Parents also appreciate the Summer Bridge Enrichment Program for incoming sixth grade students. The Young Women’s Leadership (YWL) Network and the CollegeBound Initiative provide a full-time CollegeBound Counselor. Students are immediately exposed to colleges, college fairs, and expectations beginning in sixth grade.

The Preparatory Academy for Writers is a 6th-12th grade school that offers accelerated curricula and ensures that all middle school students take at least one high school Regents exam. Students at Writers often leave eighth grade with as many as three Regents exams and six high school credits. Students who attend Writers for middle school are given priority when applying to Writers for high school.

Our scholars complete a challenging curriculum and are required to work hard, but they are not expected to do it alone. From the moment they enter Eagle Academy, scholars are provided with advisers, supportive mentors, and a devoted faculty committed to providing a strong support system for all of our young men. Eagle Scholars discover the importance of critical thinking, in-depth questioning skills, and the benefits of voluntarily seeking guidance in order to achieve success. With support from dedicated parents and teachers, we instill in our Eagle Scholars the effectiveness of strong work habits that they continue to develop throughout their upper school experience at Eagle Academy. We firmly believe that the more you apply yourself, the more you accomplish. A combination of high parental involvement, structured classroom experiences, strategic after-school programming, and an informed academic support team are the keys to our Eagle Scholars' success.

Students at our school are assigned instructional programs that meet their individual gifts and talents. Philippa Schuyler offers a variety of acceleration and enrichment opportunities that include advanced language arts and math classes, Regents classes in algebra, living environment, earth science, French, and Spanish. Major performing arts courses are offered in a variety of dance styles including: jazz, modern, ballet, and urban dance. Additional major performing arts classes include: concert band, steel pan, and chorus. Major visual arts courses and other electives include: medical studies, technology, and African American studies. In addition, we offer preparation courses for Specialized High School testing. Our school also offers a state-of-the-art hydroponic science lab. Our instructional program focuses on project-based instruction and assessment to promote rigorous critical thinking and citizenship skills.

Citywide Schools

All New York City residents may apply to middle schools in this section.

New Explorations into Science, Technology, and Math (NEST+m) is a Citywide G&T K-12 school. Our academically rigorous program has made us one of the finest schools in the city. We are committed to developing each student’s capacity for academic and intellectual achievement. We are committed to developing each student’s capacity to learn both individually and collaboratively. We provide a range of services for students with disabilities including a full-inclusion program. NEST+m students blossom into practitioners: scientists, mathematicians, engineers, artists, writers, historians, musicians, painters, and linguists who approach their studies with passion and purpose.

The mission of P.S. 347 is to provide a joyful learning environment that celebrates the education, growth, and uniqueness of every student. An engaging and rigorous standards-based curriculum is offered in American Sign Language (ASL) and Standard English, and is supported in small classes that provide children the opportunity to achieve their personal best. Our staff is committed to inspiring and encouraging curiosity, empathy, and social awareness by developing higher-level thinking skills and exploring real world issues that extend into the community. By fostering a partnership with families, we support individual student goals to enable each child to become an independent and responsible lifelong learner, and prepare them for success in the journey to higher education. All Signs Point to Success!

The Institute for Collaborative Education (I.C.E.) is a small, community-focused school where the needs and academic interests of our students come first. Teachers utilize a project-based curriculum that emphasizes student-centered inquiry, forming substantive arguments, written and oral presentations, and the active and ongoing exchange of ideas. At I.C.E. we encourage students to develop their own points of view and practice the intellectual disciplines of conducting formal research and defending complex academic arguments.

The Professional Performing Arts School (PPAS) partners with top rated New York City arts organizations to provide high quality training in the performing arts and a competitive academic program. In partnership with the theater company Waterwell, middle school students receive 90 minutes daily of acting, dance, and voice classes. Our curriculum provides students with the artistic and personal skills to be leaders in the field and in whatever profession they choose to pursue. PPAS middle school students are guaranteed a placement in one of the PPAS high school arts programs if they choose to stay. We provide a middle school experience that is well-rounded and considers every child's interests, learning styles, and needs. Students invited for an audition prepare one short monologue and one song to perform without music. Students do not need prior experience in order to apply.

The Anderson Middle School (AMS) provides a judicious combination of an accelerated and enriched curriculum for the distinct needs of gifted learners. Our upper grades are fully integrated within our highly successful K-8 school. With only two classes per grade, the relationship between students and teachers is personal and supportive. This smaller population fosters a strong sense of community. Guided by educators who recognize the needs of children with outstanding intellectual potential, we provide intimate, differentiated, and departmentalized instruction that encourages critical thinking, creative problem solving, divergent thinking, research, independent study, collaboration, and self-evaluation. Parental involvement and support sustains the spirit and growth of AMS. The Anderson School seeks a diverse student population, including ICT students, and welcomes applications from across the five boroughs. Please visit our website to review our admissions rubric before applying.

The mission of the Special Music School is to teach musically gifted children through highly structured instrumental training and a standards-based academic program. The school prepares students for professional music careers while recognizing that not every student will choose such a career. The underlying philosophy of the Special Music School is the belief that music education for gifted pupils requires extensive opportunities to work one-to-one with an outstanding instrumental faculty, a structured and sequential music curriculum, opportunities to perform before audiences, and interaction between general academics and musical studies. Our goal is to see each child reach his or her academic and musical potential. Our vision is that all students will become lifelong learners and critical thinkers in our caring and respectful learning environment. We encourage parental involvement in all aspects of the school.

At the Talented and Gifted School for Young Scholars, faculty, parents, and students work together to prepare students to develop to their full potential. We seek to inspire inquiry, creativity, and achievement for all of our students. We teach compassion, integrity, and respect for all humanity and cultivate lifelong learning. Through this collaborative effort, we promote physical and emotional well-being and develop each student’s individual interests and talents. We provide a strong education program in which all students develop critical and creative thinking skills and design meaningful educational experiences to promote academic and personal growth. Our professional and supportive staff is sensitive to the needs of each student, dedicated to providing a quality education, and has a genuine love of children. We engage in ongoing self-evaluation that ensures that we are effectively working to achieve our own goals and those of the Department of Education.

We offer an arts-enriched school environment. We want our students to see themselves as mathematicians, so we foster deep comprehension of math concepts by helping our students acquire habits of mind: persisting, questioning, communicating with precision and clarity, thinking flexibly, listening with understanding/empathy, and thinking interdependently. BSI students read diverse content and their writing includes feature articles, informational texts, comic books, interviews, persuasive essays, literary analysis, and literary criticism. We teach our students to engage technology, to think critically about what they see, and to be thoughtful about how they use technology to express their thoughts and ideas. Parents play a crucial role in both the daily life and long-term growth of BSI. Through a vital home/school connection, we build a learning community based on respect and cooperation.

Students thrive in a community that blends academic rigor with visual and performing arts. Every student has a focus in one of our Talent programs: Art, Athletics, Computer Science STEM, Creative Writing/Journalism, Dance, Drama, Instrumental Music (String or Wind), Media, Science, and Vocal Music. Parents appreciate the personalized attention of our mini-school “cluster” system. Teachers and support staff have time in their weekly schedule to collaborate with parents and caregivers to provide the best academic and social/emotional development for each student. Almost all graduates go on to NYC’s Specialized High Schools and select programs. We have building-wide Next Generation Wireless internet access and all students utilize iPads and interactive digital curriculum throughout their courses.

HOW TO APPLY TO MARK TWAIN FOR THE GIFTED & TALENTED | 21K239

Mark Twain for the Gifted & Talented (I.S. 239) is a middle school open to all New York City residents. To be eligible to test for and apply to this school, applicants must submit a Request for Testing (RFT) form by October 14, 2016.

Public school students should return the form to their elementary school, and non-public school students should return the form to a Family Welcome Center. (See inside back cover for Family Welcome Center locations.)

On the RFT form, you will need to list the two talent areas (see below) for which you would like your child to participate in competitive talent exams.

Talent Area	Program Code	Talent Area	Program Code
Art	K239AR	Instrumental – Strings	K239ST
Athletics	K239AT	Instrumental – Winds	K239WI
Computer/Math	K239CM	Media	K239ME
Creative Writing/Journalism	K239JO	Science	K239SC
Dance	K239DA	Vocal Music	K239VO
Drama	K239DR		

If you submit an RFT form, you will see these two talent areas on your child’s personalized middle school application. Remember—to be considered for placement, you must also rank Mark Twain programs on your application.

Eligible students will then receive notification of their test or audition, which will occur at Mark Twain on one of these dates. Additional test dates may be scheduled based on student applicant response.

January 7, 2017	January 21, 2017	January 28, 2017	February 4, 2017
January 8, 2017	January 22, 2017	January 29, 2017	February 5, 2017

HOW TO APPLY TO PROFESSIONAL PERFORMING ARTS SCHOOL | 02M408

Professional Performing Arts School (PPAS) is a citywide school serving grades 6-12. Eligible students are invited to audition for the PPAS middle school theatrical arts program which includes acting, singing, and dance instruction from professionals in these fields along with an accelerated academic program. Students will be considered for enrollment based on academic performance and audition. More information on the process is available on the school website ppasnyc.org.

To be considered for a PPAS audition, you must rank PPAS as one of your choices on the middle school application that you receive from your child’s current elementary school. If your child is a non-public school student, you can get an application from a Family Welcome Center. All candidates must be residents of New York City at the time of application.

This is a list of New York City charter middle schools located in District 30 that are projected to offer sixth grade by the 2017-2018 school year. Please note that not all charter schools accept applications for new students in sixth grade. For current admissions information, please contact each school directly and learn more at schools.nyc.gov/charters.
