Overview

The Academy for Language and Technology (ALT) nurtures inquiry learning, character development and community building. Our focus is to prepare students to compete in the global economy. Students connect technology to real-world experiences via internships and they develop literacy in both Spanish and English. Ninth graders enter one of our three technology-focused programs: media communications, computer networking or computer technology. Our school environment - built on community, leadership and social activism - encourages our students to grow into articulate, responsible citizens.

Academic Opportunities

Program Highlights: Students may receive CTE endorsement in Media Communications; Other programs include: College and Career Planning Seminar, Ethics/Service Learning Seminar, iZone School; College Planning begins in 9th grade

Online Language Classes: French, Italian

Advanced Placement Classes: Spanish Language

Online Advanced Placement Classes: Art History, Biology, Chemistry, Psychology, Spanish Language, Spanish Literature, World History

Extracurricular Activities and Clubs

Adobe Photoshop, ALT Community Service Committee, ALT News, Dance, Executive Board, Excel, Fitness, Karate, Leadership, Microsoft Applications, National Honor Society

PSAL Sports – Boys: Baseball, Basketball, JV Volleyball, Softball & JV Softball

PSAL Sports – Girls: Softball, Volleyball

Admissions Priorities and Programs

Admissions Priorities

1. Open only to New York City residents who have lived in the United States four years or fewer, whose home language is Spanish and are of limited English proficiency

Program Name	Code	Interest Area	Admissions Method	Grade	2014 Seats	2014 Applicants
National Academy Foundation Media Communications	Y31B	Communications	Screened: Language	9	32	406
Program Description: A hands-on approach to understanding mass media opportunities that develop career skills in video production, journalism, media arts, technology, with internships in various media outlets.						
National Academy Foundation Institute for Computer Technology	Y31C	Computer Science & Technology	Screened: Language	9	28	376
Program Description: Provides students with computer literacy, maintenance skills, knowledge of programming languages and the ability to solve programs through programming; four-year program includes literacy, maintenance and repair.						
National Academy Foundation Computer Networking	Y31D	Computer Science & Technology	Screened: Language	9	32	217
Program Description: Students become proficient in Cisco to take the Cisco Certified Networking Associate Exam (CCNA); successful completion of this program prepares students to install computer connections, program routers and maintain computer networks.

Overview

Our students can earn both an academic Regents diploma as well as a State-approved technical endorsement in the Automotive trades. Our ninth grade program is specifically designed to transition students into high school by providing additional academic support in both ELA and Math. Students immediately begin their career sequence in ninth grade with hands-on classes in their CTE program. Our College and Career Center counsels students as they develop their post-secondary plans by offering frequent college trips, mentoring and internship opportunities and career interest workshops.

Academic Opportunities

Program Highlights: Students may receive CTE endorsement in the following areas: Automotive Service Technician; Automotive Technology, Automotive Auto Body Collision Repair, Graphic Arts, Advanced Placement classes and Summer Internships. All programs end with State approved certifications.

Language Classes: Spanish

Advanced Placement Classes: English Language and Composition, United States History

Extracurricular Activities and Clubs

Academic tutorial programs, Film, Automotive Youth Educational System (AYES) Internships, Chess, Co-op Education, Competitive Citywide Robotic Team, Modern Dance, Break Dancing, Steel Drum Orchestra, PSAT & SAT Prep Skills, USA Wrestling

PSAL Sports – Boys: Baseball & JV Baseball, Basketball & JV Basketball, Bowling, Football & JV Football, Gymnastics, Handball, Soccer, Tennis, Volleyball, Wrestling

PSAL Sports – Girls: Volleyball

PSAL Sports – Co-ed: Outdoor Track, Tennis

Admissions Priorities and Programs

Admissions Priorities

1. Open to New York City residents
2. **For X69C only:**
 - a. Priority to New York City residents who attend an information session
 - b. Then to New York City residents
3. **For X69D only:** Open to students whose home language is Spanish

Program Name	Code	Interest Area	Admissions Method	Grade	2014 Seats	2014 Applicants
NATEF Automotive Technology	X69C	Engineering	Limited Unscreened	9	104	502
Program Description: Follows National Automotive Technicians Education Foundation instruction and leads to national certification in the automotive industry.						
Bilingual Spanish NATEF Automotive Technology	X69D	Engineering	Screened: Language	9	20	59
Program Description: Follows National Automotive Technicians Education Foundation instruction and leads to national certification in the automotive industry. This program is taught in Bilingual Spanish.						
Graphic Arts	X69E	Visual Art & Design	Screened	9	28	New Program
Program Description: The graphic design program provides students with the knowledge and skills needed for employment as a graphic designer. The program involves the use of specialized software and cultivates students' creativity and their design and problem solving skills so they become strong visual communicators. Students work in a brand new state-of-the-art graphic studio on both Apple and PC computers equipped with the latest graphic design software.						
Selection Criteria						
<ul style="list-style-type: none"> • English (65-100), Math (65-100), Science (65-100), Social Studies (65-100) • Standardized Test Scores: Math Levels: 2-4; English Language Arts Levels: 2-4 • Review of Attendance & Punctuality 						

ELA and Math test results will not be the sole, primary or major factor in admissions decisions, consistent with applicable law. Instead, multiple measures, which may include State test results, will be used to make admissions decisions for screened/audition programs.

Quality Review Score (2011-2012): Developing

Overview

Our school provides a challenging and innovative education focused on math, science and the integration of technology into all subject areas. Our classes feature inquiry- and project-based curricula and the use of remote response systems. Our non-traditional physical education classes expose students to new experiences that they otherwise might never have. Our students are grouped into four Houses which are divided into smaller single-gender Advisory groups led by a faculty advisor. Although classes change, students remain with their House and advisor until graduation. Our students graduate with the knowledge of math, science and technology applications they need in order to succeed in today's digital society.

Academic Opportunities

Program Highlights: Integrated use of technology in all disciplines, College-level courses in grades 11-12 through Syracuse University Project Advance (SUPA), Physical Education classes (Ballroom Dancing, Latin Dancing, Fitness, Boxing, Lacrosse). We are now part of iLearn and have a full range of Aventa online courses available to our students.

Language Classes: Spanish

Extracurricular Activities and Clubs

After-school Tutoring, Book, Cheer Team, Hip-Hop Dance, Peer Mediation, Robotics Team, Saturday Academy, Science Olympiad, Student Council, Talent Show, Youth & Government Team

PSAL Sports – Boys: Basketball

PSAL Sports – Girls: Basketball & JV Basketball, Indoor Track, Volleyball

School Sports: Boys: Baseball, JV Basketball; Girls: Softball, JV Volleyball; Co-ed: Cheer Stunt Team, Cross Country and Track. Currently, these teams participate in the Charter School League, SSAL and/or Brass league, Road Runners and Mighty Milers.

Overview

We are dedicated to supporting the growth of young adults through an emphasis on academic performance specifically in science, mathematics and technology, achieved through our four-year study sequence. In partnership with Lehman College, we offer small classes and challenging electives. We provide our students with a well-rounded, diverse science and mathematics curriculum that instills a strong educational foundation, fostering and promoting post-secondary success. By forming real partnerships among students, teachers, and parents/guardians, we help our students become creative, inspirational individuals who value commitment and integrity.

Academic Opportunities

Program Highlights: Anatomy, Calculus, Classical Civilizations, Environmental Science, Freshman Composition, Forensics, Global Issues, Microbiology, Nutrition, Robotics, Teaching Assistant Internship Program, Zoology, Saturday Regents Preparatory Program, SAT Preparation (TRIO); High school and college credits through Lehman College Programs (Summer Bridge to High School, Talent Search, Saturday Academy, College Now); College Now courses include: DNA Detectives, Contemporary Political Issues, Fundamentals of Sociology, General Psychology, Problems in Philosophy

Language Classes: Spanish

Advanced Placement Classes: Biology, Chemistry, English Language and Composition, English Literature and Composition, Spanish Language, Statistics, United States History

Extracurricular Activities and Clubs

Day-time Tutoring Program, Saturday Regents Preparatory Program, 9th Grade Home Club, University and College Field Trips, Leadership, Jazz Band, Concert Band, Pep Band, National Honor Society, School Leadership Team, Yearbook

Overview

We are a small high school in the Longwood section of the Bronx that focuses on building strong, positive relationships to support student growth and achievement. Individual experiences and different learning styles are valued in our school community. Our mission is to prepare all students to be successful in the 21st century through collaboration, community involvement and college and career readiness. We accomplish this by offering a rigorous Regents/Common Core/college preparatory curriculum to all students, using and building partnerships within the community and offering advanced coursework for students who are academically high performers.

Academic Opportunities

Program Highlights: Stand-alone English as a Second Language Program (grades 9-12), Honors classes in each grade, Advisory, Fitness, Percussion, Chorus, Introduction to Painting, Introduction to Drawing and Portfolio Art

Overview

Bronx Academy for Software Engineering (BASE) is a Career and Technical Education high school preparing students to work and play in the world of software design and programming. Classes like Mobile App Design use the tools of software engineering to focus on real-world problem solving. Internships with industry leaders give students experience with cutting-edge technology. Seminar class helps students make connections across their academic classes, get to know each other and develop postgraduation plans. BASE graduates are prepared to develop their skills in college, enter the software industry as programmers or website designers and understand and help the communities we live in.

Academic Opportunities

Program Highlights: Internships with industry partners; advisory class; classes in software design, computer programming and app development; individual academic and career planning; project-based learning

Language Classes: Spanish Native Language Arts

Online Language Classes: As we expand, we plan to offer Arabic, Mandarin, French, Korean

Advanced Placement Classes: As we expand, we plan to offer Computer Science A, Computer Science Principles

Extracurricular Activities and Clubs

Robotics, Computer-aided Design, Gaming, Anime/Manga, 3-D printing, Business start-up workshops, Individual- and small-group Tutoring, Student Government, SAT prep, Crafts, Community Service, Flag Football, Running, Music, Women in Computer Science

PSAL Sports – Boys: Baseball, Basketball

PSAL Sports – Girls: Softball, Volleyball

Overview

We prepare students for a variety of health professions including medicine, medical technology, nursing, pharmacology and physical therapy. We familiarize our students with the habits, practices and educational requirements needed to become a health professional and provide them with opportunities to volunteer and intern in local healthcare institutions. Students study four years of science and math and become well prepared to meet the challenges of a college education in healthcare. We collaborate with colleges to offer our students an opportunity to take college level, credit-bearing courses for free. Our staff works with parents to ensure students receive the support they need to succeed.

Academic Opportunities

Program Highlights: Strong emphasis on science; college courses, volunteering, Cardio-Pulmonary Resuscitation (CPR), First Aid, Bronx Community College Medical Billing and Coding Certification, Extended Periods, Tutoring, Assemblies, Monthly Town Hall Meetings featuring guest speakers and student presentations, Annual Health Fair, Talent Shows, Awards Ceremonies, Student Council, Peer Mediation Program, Teaching Program

Language Classes: Spanish

Advanced Placement Classes: English Language and Composition

Extracurricular Activities and Clubs

Art, Book, Theatre, Global Girls, Attendance Achievers, RISE, Chess, CPR, Dance, Step Team, First Aid Certification, National Honor Society, Regents Preparation, SAT Preparation, Tutoring, Volunteering, College Now, Bronx Community College Medical Billing and Coding Certification, Today's Students Tomorrow's Teachers, Peer Mediation Program/Certification, Cooking, Robotics, Anime

Overview

We provide students with a unique blend of academics and aviation training. Our students are required to wear the standard pilot’s uniform every day. Students choose between three focuses: Aviation Ground School, Flight Training, or Basic Air Traffic Control Training. All entering students are expected to attend a summer orientation program for two weeks in August. At the orientation, students pick their focus and work closely with upperclassmen to prepare for the transition to high school. Students may receive flight and air traffic control training in our state-of-the-art flight simulator.

Academic Opportunities

Language Classes: French, Spanish
Advanced Placement Classes: Calculus AB, United States History

Extracurricular Activities and Clubs

Air Traffic Control Training, Culinary, ESL Homework Center, Gentlemens Club, Ladies Club, Leadership and College Readiness, LifeSkills Training, Peer Academic Teams, Reality Works Real Baby Program, Robotics, Safe Space, SAT/ACT Prep, Saturday Academy Credit Recovery

Overview

Our school is designed for English Language Learners, especially those whose native language is Spanish, Bengali, Arabic or French. At Bronx Bridges High School, all teachers and staff work closely with students to achieve their academic goals and explore their interests and passions. Our students’ cultural and linguistic backgrounds are an integral part of their academic work. We are committed to assisting students in maintaining the richness of their personal histories and providing them with a sense of their place in the greater community. Our graduates are prepared to meet the challenging demands of a college education and ready to succeed in a 21st century workplace.

Academic Opportunities

Program Highlights: Small advisory groups led by a faculty mentor; supportive classroom environments with a focus on language acquisition; academic and career planning starting in the 9th grade; career & college explorations including college campus visits

Overview

Bronx Career and College Preparatory High School (BCC Prep) prepares students to be successful 21st century participants. We couple relevant internship experiences with rigorous academic learning experiences. As a result, students develop four standards of professionalism and learn to be prompt, prepared, positive and productive. Students at BCC Prep also strive to embody our core principles as they develop responsibility, teamwork and the resiliency needed to enter college and to exceed academic and industry-based standards. We provide our students small class sizes, advisory, internships and quality college and career readiness instruction and training to ensure that 100% of students graduate prepared for college and careers. There is a strong culture that mirrors college and employment where students respect teachers, work hard and arrive on time. We ensure that each student is cognitively engaged, fully valued and fully heard.

Overview

The Bronx Center for Science and Mathematics offers a challenging academic program with a concentration in science and mathematics supported by the study of humanities and the integration of technology across the curriculum. Our school meets the emotional, intellectual and social needs of all students through a strategic support structure consisting of faculty, students, parents and the community. We prepare our students for the world of work and/or college through collaboration with our partners. The foundation of our school rests on Seven Core Virtues that prepare our students for citizenship: Respect, Integrity, Honor, Excellence, Commitment, Perseverance and Service.

Academic Opportunities

Program Highlights: Advisory, Guidance and College Preparatory, Mentoring, Leadership, Summer Enrichment at universities and colleges, PSAT and SAT Preparatory, Comprehensive After-school Program, Peer Tutoring, Evening School and Summer Institute for Credit Recovery, Summer Bridge Program for all grades

Overview

Students of Bronx Collaborative High School are academic detectives, bringing New York City’s unique resources and rich history into the classroom to investigate and solve real-world challenges. Our teachers connect student teams with community leaders, organizations and professionals to collaborate on exciting projects. These real-world experiences offer students feedback that prepares them for success in college and careers. Teachers and counselors know our families, recognize students’ talents and support their needs from the first day of school to graduation. Our students learn to use social media to share ideas that create positive change and encourage social justice.

Academic Opportunities

Program Highlights: Digital technology and social media are taught as real-world problem-solving tools for positive change. Students are graded on a portfolio of research, writing, debate, and presentation work; they present and 'defend' 15-20 page "thesis" papers in every subject to graduate. Courses are in a college seminar format. BxCHS CORE Foundation (9/10) focuses on discovering social and emotional learning skills and personal growth using daily Advisory, community trips/studies, student leadership, and restorative practices/holistic discipline. BxCHS CORE College (11/12) program focuses students on having an impact beyond the doors of the school through college courses, college trips, SAT prep, off-site community service, and off-site executive internships.

Overview

Game Design. Media Art. Music Production/Sound Engineering. Software Engineering. We do school differently. In partnership with NYC's iZone360, we provide a personalized and technology-infused program that challenges students to design, create and present meaningful work products using the latest technology. Beyond our College-readiness coursework, students of Bronx Compass run their own entertainment company, 'Dragon Entertainment.' Whether you are an aspiring entertainer or you plan to be a software entrepreneur someday, you will enjoy working with your classmates to create original movies, graphic designs, albums, video games and apps. Our graduates are masterful, insightful problem solvers ready to take on the world.

Academic Opportunities

Program Highlights: 1-1 Student-to-Laptop Ratio, Technology-infused Coursework, Courses in Game Design, Garageband, Adobe Illustrator, Garage Robotics, Software Engineering; Personalized Pathway to Graduation, Filmmaking Studio, Recording Studio, Maker Lab, Compass Award Ceremony, Internships, College Now Courses in 11th & 12th Grade; Science, Technology, Engineering, Art, and Mathematics (STEAM) Connections and Hands-on Science Labs, Individual College and Career Counseling and Exploration, Advisory

Language Classes: Spanish

Extracurricular Activities and Clubs

STEP team, Open Gym, Open Art Studios (Film, Tech Squad/Video Game Club), Recording studio, Vocal, Guitar, Garage Robotics, LEGO Robotics, Chess, Acting/Drama, Green Team

PSAL Sports – Boys: Baseball, Basketball, Football, Outdoor Track, Soccer

PSAL Sports – Girls: Basketball, Bowling, Outdoor Track, Soccer, Softball, Tennis, Volleyball

Overview

The Bronx Design and Construction Academy (BDCA) is a CTE school that prepares students for direct entry into the design and construction field and entry to a four-year college without remediation. BDCA offers Carpentry, Plumbing, HVAC, Electric, and Architectural Drafting/Pre-engineering as CTE programs. Freshmen take a survey course to find which strand is the best fit for them and focus solely on that strand during for their sophomore, junior and senior years. We provide a challenging and engaging CTE program that is rooted in the context of transportation and sustainability. All students at BDCA receive a rigorous four-year liberal arts education alongside their CTE training. We provide a challenging interdisciplinary program that ties academic skills and discipline with CTE coursework. By focusing on a skills-based approach, we help students make connections between their coursework and real-world problems so that they may find unique and tenable solutions to any problem they wish to solve.

Academic Opportunities

Program Highlights: Career and College Counseling, interdisciplinary curriculum, transportation and sustainable energy focus, internships and work experience, AP courses, College Now

Language Classes: Spanish

Online Language Classes: Arabic, Bengali, Chinese, French, German, Italian, Japanese, Korean, Urdu

Overview

At Bronx Envision Academy (BEA), imagination is the key to success. BEA empowers students by emphasizing artistic and academic achievement. Our arts electives include visual art, dance, creative writing, theater and graphic design. Student success is promoted by teaching artists working alongside classroom teachers, collaborations with arts organizations and local businesses and by defining a learning process in all academic disciplines that mirrors the artistic process. Bronx Envision is a college preparatory school. In addition to completing challenging course work, our students research colleges and tour colleges beginning in ninth grade. Dedicated to providing students with the resources necessary for their success, BEA enables students to graduate as creative and analytical thinkers ready for college and beyond.

Academic Opportunities

Program Highlights: Small Group Advisory, Off-site and Project-based Learning, Portfolio Development, Career and College Counseling, Partnerships with Arts Institutions, Internships with organizations and businesses, and iLearn technology program. Arts electives include: Studio Art, Graphic Design, Modern Dance and Ballet, Theater, Film, and Creative Writing. Other electives include the History of Sports and Spanish. Bronx Envision juniors and seniors take College Now courses at Lehman College. As Bronx Envision expands, we will offer Advanced Placement and college courses, a music program, and additional sports and extracurricular programs based on our students' interests.

Language Classes: Spanish

Extracurricular Activities and Clubs

Artist Residencies, 'Beyond the Mat' Wrestling Appreciation, College Prep, Community Service, Dance Team, Ballet & Pointe Class, Digital Photography, Drumming, 'Elite Productions' DJ and Music Production Squad, Health and Environment, Curatorial Program, Mural Painting, Japanese Culture and Anime, Fitness, Latino, Newspaper, Creative Writing, Restorative Justice Committee, Mock Trial & Debate, Student Council, Gay-Straight Alliance, Vocal Team, Visual Art, Yoga

Overview

We are a community of learners engaged in meaningful work. Our mission is to capture the energy and interests of young people by providing apprenticeships. Students are required to participate in the apprenticeship program and give quarterly public presentations of their learning. Each student's curriculum is determined by his or her unique interests, background and learning style. Each teacher is responsible for only 15 children. Learning Through Apprenticeship (LTA) is the center of the Bronx Guild curriculum. At the worksites, students take on real-world tasks and projects under the supervision of a mentor. Back at school, the students work with their crew leaders building and reinforcing the skills and knowledge needed to complete those projects. Our very successful program has placed students in over 300 apprenticeships since opening our doors in 2002.

Overview

Bronx Health Sciences High School is designed for students who are willing to engage in a challenging academic program and explore the health sciences and related health career opportunities. Our young adults are equipped with the necessary literacy and scientific problem solving skills that enable them to become life-long learners while gaining a sense of personal and community responsibility. We emphasize literacy, problem solving skills, character development, sensitivity, tolerance, leadership and personal responsibility as crucial components. Through partnerships with Lehman College and Council for Unity, students are exposed to special programs and resources. Graduation requirements include the completion of four years of science, math, health sciences, community service, internships and an academic portfolio assessment.

Academic Opportunities

Program Highlights: Health-related Research, Literacy, Community Service and Externships; Problem-based and Project-based Interdisciplinary Learning and Research, Hospital Volunteer, Health Occupations Students of America (HOSA), Advisory

Quality Review Score (2010-2011): Proficient

Overview

Our school offers a small academically challenging high school experience to students who wish to enter the fields of medical science and health. Science courses are embedded into all curricular areas. At our school, the first three years of study are devoted to the completion of all New York City requirements for graduation and examinations, while the last year is devoted to College Now coursework. Over the course of their high school experience, students become 'resident experts' in a particular field or topic of their choosing and are required to compile a variety of reports, experiments and artifacts culminating in a senior year presentation to their peers.

Academic Opportunities

Program Highlights: Students have the opportunity to shadow health care professionals during the school day, after school, on weekends and in the summer; students apply to a competitive program and conduct research under the supervision of trained personnel in various areas

Language Classes: Spanish

Advanced Placement Classes: Spanish Language

Extracurricular Activities and Clubs

Chess, CHAMPS, National Honor Society, School Newsletter, Senior Council, Student Government, The City University of New York (CUNY)

PSAL Sports – Boys: Baseball, Basketball & JV Basketball, Bowling, Handball, Outdoor Track, Soccer, Volleyball

PSAL Sports – Girls: Basketball, Outdoor Track, Softball, Tennis, Volleyball

Admissions Priorities and Programs

Admissions Priorities

1. Priority to continuing 8th graders
2. Then to Bronx students or residents
3. Then to New York City residents

Overview

We offer a challenging, sequential, four-year pre-professional art program and an interdisciplinary academic curriculum within a close-knit school community. We offer two visual arts programs: one focuses on developing general knowledge of the visual arts, while the other prepares students to become professional graphic designers. Both programs emphasize skill-building, student creativity, interests and community contributions. Our cultural partners provide learning experiences and additional resources for students and their families. Our small class size and project-based, student-centered curriculum provide individualized attention and prepare students for college and careers in the arts.

Academic Opportunities

Program Highlights: Studio Art, Portfolio, Digital Media, Photography, Museum Apprenticeships and Internships, College Now, Career and Technical Education Program in Graphic Design, Career Visions Institute, Gaining Early Awareness and Readiness for Undergraduate Programs (GEAR UP)

Language Classes: Spanish

Advanced Placement Classes: English Literature and Composition, Environmental Science, United States History

Extracurricular Activities and Clubs

Art and Career, Art and Literary Journal, Computer Graphics, Digital Media, Drama, Animation, Newspaper, Student Government, Visual Arts, Yearbook, Cheerleading, Fashion Design, Mix Martial Arts, Track and Field, Robotics, Ballroom and Latin Dance, Korean

School Sports: Intramural Seasonal Athletic Program; students participate in the Christopher Columbus PSAL Sports Teams

Overview

We are a community of writers. Bronx High School for Writing and Communication Arts (BHSWCA) students write poetry, drama, fiction, non-fiction and songs. They write for school publications, participate in poetry slams, act in school plays, make films, create artwork and dance. They also work with professional writers, actors and artists every week. Our lead partner is Epic Theatre Center. We expect all students to graduate with a Regents Honors diploma.

Overview

The mission of the Bronx International High School is to empower our students to become active participants in today’s interdependent and diverse world. We accomplish this by helping enhance our students’ cultural awareness, English and native language proficiencies and intellectual and collaborative abilities. We are dedicated to serving the academic and social needs of recently immigrated young people and their families. By critically analyzing and responding to complex world issues, students achieve academic, personal and professional success as they become advocates for themselves and their communities.

Academic Opportunities

Program Highlights: Language Development in all subject classes, Art and Music with the Bronx Art Ensemble, Cooperative Learning Groups, Interdisciplinary Curriculum, Internship Opportunities, College Trips, College Prep Counseling, Small Group Advisories, Wireless Computer Network, College Now

Overview

Bronx Lab School, founded on the principles of the Coalition of Essential Schools, creates a small, personalized learning community in which teachers and students know each other well and develop a climate of trust, decency and high expectations for all. As a progressive school, our courses and units of study are inquiry-based and designed to develop students' critical thinking skills. Students engage in academically challenging hands-on investigations and projects that demonstrate their understanding of course material. Bronx Lab School provides additional advanced learning opportunities through our partnerships with community-based organizations and internships, and life-long learning skills to prepare students for college and career.

Academic Opportunities

Program Highlights: 10th grade credit-bearing internship opportunities; 11th grade SAT Prep, College Now and College Trips, National History Day Presentations; 12th grade Senior Seminar; Advisory Program, Explore Week (three days of service learning projects outside the school building), Summer Enrichment Opportunities: The Hotchkiss School, The Mountain School

Overview

Our school motto is: 'Engage Minds, Develop Leaders, Explore Possibilities'. Our goal is to meet students at their level and prepare them academically for career and college by graduation. We want our students to find a sense of purpose and place in the world, and to see the connection between school and the real world. We aim to build relationships that develop our students into leaders able to achieve their potential in college and careers.

Academic Opportunities

Program Highlights: All students study four years of math and science; College & Career Seminar, English classes in which students complete at least one yearly research paper, Honors courses for a number of core classes, longer class periods to enable students to fully explore topics, WISE program (individualized study and internships for seniors), College Now

Overview

At Bronx River High School, you find a dedicated staff of highly qualified teachers that share a passion for creating an exceptional school. We have one focus: to ensure that our students are prepared for a college education, both academically and socially, once they graduate from our school. We stress the importance of a strong moral character with an emphasis on personal responsibility and community service. We have a strong Advisory program, where each student keeps the same Teacher Advisor throughout their high school career in order to ensure that our students meet and exceed their goals. We offer a highly developed college preparatory program that includes college partnerships, frequent college visits, SAT preparation and family assistance throughout the college application process.

Academic Opportunities

Program Highlights: Extended Day Monday through Thursday with double block math, strong emphasis on writing using the Hochman Writing Method and integration of Achieve3000 (an online Common Core reading program), early dismissal Fridays at 12:20 PM; as we expand, we plan to offer AP Calculus, AP Language and Composition, AP Literature, AP Environmental Science, AP Statistics

Language Classes: French

Overview

Our mission is to provide students of all academic abilities with the intellectual and social tools to lead alert, literacy-rich lives. Our project-based curriculum is designed to prepare students to become globally-minded activists with a sophisticated understanding of the political, cultural, economic and social forces that have shaped their communities and the world around them. Our faculty and partners work tirelessly to ensure that our school is a learning environment open to all students, regardless of academic ability, and that every student is prepared for college and the world beyond. We value academic challenge, social justice, individualization and high-quality teaching.

Academic Opportunities

Program Highlights: Advisory, Leadership Classes, Electives in Literature, Creative Writing, Journalism, Theater, Art, Dance, Sports Nutrition and Forensics; Academic requirements include a final student exit project and presentation in each subject; All students take writing and art classes in high school and every 9th grader is expected to take a dance class

Overview

We offer students the opportunity to earn a fully accredited Regents diploma by adopting the model of a theatre company. Our students stage classic plays and their own original works to explore the universal themes of the human experience and acquire skills and knowledge to meet the Learning Standards outlined by the NY State Board of Regents. We utilize project-based learning and take it a step further by engaging students as artists-at-work. Our program provides the college readiness skills for students to succeed in a post-secondary setting. Teaching artists work with teachers to create an ensemble for students to work together, learn together and become productive members of society.

Academic Opportunities

Program Highlights: Performance, Set Design, Costume Design, Theatre Business, Chorus, Playwriting, Dance Company, National Honor Society, College Now, Arts-related field trips; Math, Science and Humanities subjects enriched through producing original and classic plays; Advisory; Academic support in PM School and Tutoring; Regents Prep, College Prep, SAT Prep, Career Development Internships

Overview

Bronxdale High School is dedicated to fostering a realistic, relevant and hands-on educational experience for all students. As an inquiry-based school, we use collaborative approaches that benefit students by teaching them skills they will need beyond high school, such as the ability to work in teams, solve multi-faceted problems and apply what they learn in various settings. Our class sizes are approximately twenty-two students per academic course and core courses are ninety minutes long on alternating days. We have planned an extended school day to provide structured time, individual attention and other supports students may need to succeed. Bronxdale High School helps each child develop the critical thinking skills and habits of work necessary for post-secondary success.

Overview

The Cinema School offers a rich liberal arts education grounded in creative activity. Filmmaking serves as the core of a strong academic program that prepares students for a wide range of careers. All students take the required courses for an Advanced Regents Diploma and at least two Advanced Placement courses to prepare them for admissions to competitive four-year universities. Competitive colleges love our students! In addition to providing students with essential creative and technological skills, filmmaking also deepens learning by building confidence, responsibility, teamwork and leadership. We offer a supportive small school community and individualized attention.

Academic Opportunities

Program Highlights: Mid-year Animation & Movie Institute: develop film projects, shoot on location, work with prominent resident and guest artists, visit art-focused colleges and professional studios; four-year Cinema Studies curriculum: filmmaking, storytelling, media criticism, history of visual arts; internships, independent study; College Now at Lehman College

Online Language Classes: French, German, Italian, Portuguese, Spanish
Advanced Placement Classes: Biology, Calculus AB, Economics: Macro, English Language and Composition, Government and Politics: United States, United States History

Extracurricular Activities and Clubs

Film Screenings, Acting & Directing in Film, Filmmaking, AP Test Prep; Archery, Yoga, Chess, Creative Writing, Daily small group Advisory Meetings, Dance, Debate, Gay-Straight Alliance, Key Club, Students Against Animal Cruelty, Partners with New York Cares for Community Service, Rock Band, Photography, SAT, Newspaper, Student Government, Tutoring, Regents Prep, Variety & Talent Shows, Web Design, Yearbook

Overview

Community School for Social Justice (CSSJ) is an active and caring learning community where young people create and develop the intellectual and social skills to become thoughtful and engaged community members. We honor our students' heritage and values. We embrace a climate of social activism in which students are confident about addressing issues that affect their lives; we help them infuse their desires with hope and possibility and provide the emotional and academic supports they need to graduate and succeed in life. Our students learn how to ask questions and examine real-life problems. We guide them toward a sense of power and personal discovery to make change for themselves, their futures and the world in which they live.

Academic Opportunities

Program Highlights: CSSJ is a Performance-based Assessment Task (PBAT) school in which students complete, present and defend academic portfolios. These PBATs replace the NYS Regents exam for Social Studies, Math and Science. Students must still pass the NYS ELA Regents exam. In total, students must complete eight PBATs for graduation. Our school also offers the following advanced programs: College Now classes at Hostos Community College, Mock Trial/Law and Justice Class and Competition, Playwriting class with Manhattan Theatre Club; Honors English; Pre-Calculus and Statistics, 9th grade double-block English classes, and a Social Action course. Our students spend four years with their Family Group improving leadership skills, building friendships, and participating in an intensive four-year college preparatory program.

Language Classes: Spanish

Extracurricular Activities and Clubs

After-school and Saturday Tutoring and Homework Help, Changing the Odds (CTO), College Awareness, HIV/AIDS Peer Education Group, Interdisciplinary Summer Program, Mock Trial, SAT Prep, Saturday Preparation for Performance-based Assessment Tasks (PBATs), School Leadership Team (SLT), Peer Mentoring, Student Council, Yearbook, CSAA Flag Football, Soccer, Boys Baseball, NY Road Runners, Photography, Dance, Chess, Newspaper, Muy Thai, Judo, Prom Committee

Overview

At the Comprehensive Model School Project (CMSP), children are our first priority. Therefore, we are an inclusive community comprised of students, parents and educators dedicated to high academic achievement and the complete social-emotional development of each student. We are a community that respects and honors diversity. Students are valued members of our school community who understand the importance of self-respect and respect for others. The academic success of our students is a collaborative effort and is the result of our staff's expertise, planning and professionalism, extensive parent involvement, students' commitment to success and an atmosphere of social equity in our school.

Overview

Our mission is to partner with families and local organizations to serve English Language Learners who have recently immigrated to the United States from countries around the globe. Our graduates are prepared for success both in college and in careers in Media & Communications. Our school and classes are small; every student is known and supported to achieve. Staff and students work and learn collaboratively in heterogeneous groups. Students develop English language literacy and critical thinking skills by engaging in classroom projects, service learning and internship programs. They learn to advocate for themselves and their families and to become active leaders in their communities.

Academic Opportunities

Program Highlights: CTE program sequences in Digital Media (Recording & Entertainment Technology); Small classes that integrate academic content and English language development, cooperative learning groups, interdisciplinary project-based curriculum, portfolios, service learning, work-based internship opportunities, college trips, college prep counseling, career counseling

Extracurricular Activities and Clubs

Before & After-school Tutoring, Peer Tutoring, Theater, Music, French, Peer Mediation, Regents Prep, Restorative Justice/Conflict Resolution, School Newsletter & Literary Magazine, Student Council, CIHS Tech Group, After-school Music Program, Cheerleader, Right Brain Club

PSAL Sports – Boys: Baseball, Basketball

PSAL Sports – Girls: Softball, Volleyball

School Sports: Soccer

Admissions Priorities and Programs

Admissions Priorities

1. Open only to New York City residents living in the United States four years or fewer who are English Language Learners per New York City Department of Education guidelines scoring at the Beginner or Intermediate level on the NYSESLAT or LAB-R.

Program Name	Code	Interest Area	Admissions Method	Grade	2014 Seats	2014 Applicants
Digital Media/Recording Entertainment Technology	Y56A	Humanities & Interdisciplinary	Screened: Language	9	81	338
Please note: Due to the educational program, consideration is given to encouraging cultural and linguistic diversity. When evaluating applicants, Crotona International High School seeks to build an incoming 9th grade class that is representative of students from all parts of the world.

Overview

DeWitt Clinton High School has a rich history of more than 100 years of educating students in the Bronx. This comprehensive high school offers a wide variety of programs to fit every student's needs. These programs are structured as small learning communities (SLC) where students choose their program of interest. Small learning communities offer a personalized, safe, nurturing environment for learning, each with its own Assistant Principal, Guidance Counselor and support staff. Students benefit from the caring of a small school setting within a large school environment and from the range of instructional programs and activities that only a large school can offer. All students receive a core curriculum and begin their SLC specialty in the 9th grade.

Academic Opportunities

Program Highlights: Peer Tutoring, Intergenerational, Speech and Debate, Playwriting, Air Force Junior Reserve Officers' Training Corps (AFJROTC), Virtual Enterprise

Language Classes: Latin, Spanish

Advanced Placement Classes: Biology, Calculus AB, Calculus BC, Chemistry, Economics: Macro, English Language and Composition, English Literature and Composition, Environmental Science, European History, Government and Politics: United States, Physics B, Physics C: Electricity and Magnetism, Physics C: Mechanics, Spanish Language, Spanish Literature, Statistics, United States History, World History

Extracurricular Activities and Clubs

PSAL Sports – Co-ed: Cricket

School Sports: Cheerleading, Dance Team, Step Team, Kung Fu, Soccer and Swimming Clubs

Admissions Priorities and Programs

Admissions Priorities

1. Priority to Bronx students or residents
2. Then to New York City residents

Program Name	Code	Interest Area	Admissions Method	Grade	2014 Seats	2014 Applicants
Medical Professions	X10A	Science & Math	Ed. Opt.	9	300	546
				10	10	New Program
<p>Program Description: Students explore the numerous career pathways available in the health professions. With rigorous courses and unique learning opportunities, students acquire background knowledge to continue their studies in health careers after high school. Some potential careers include medical technologists and assistants, nursing, patient care, medical billing and veterinary studies.</p>						
Newcomers'-Global Community	X10H	Humanities & Interdisciplinary	Screened: Language	9	120	New Program
				10	10	New Program
<p>Program Description: This program is for students who have been in the country for less than three years and are English Language Learners. The curriculum is designed to develop the students' conversational language and writing skills using ESL strategies. After completing one full year of ELA instruction in the Newcomers' Global Community, students will transition into one of our theme-based Small Learning Communities.</p>						
Macy Honors Communities	X10J	Science & Math	Screened	9	120	280
				10	10	New Program
<p>Program Description: Students are challenged to excel academically and encouraged to develop leadership qualities and take advantage of many internship programs, summer programs and partnership opportunities. Students take honors-level core subjects that emphasize Math and Science as well as Advanced Placement and college courses. A strong academic foundation coupled with enrichment opportunities help to develop a well-rounded student who is prepared for higher education; a productive citizen able to continue our school's successful legacy.</p> <p>Selection Criteria</p> <ul style="list-style-type: none"> • English (80-100), Math (80-100), Science (80-100), Social Studies (80-100) • Standardized Test Scores: Math Levels: 3-4; English Language Arts Levels: 3-4 • Review of Attendance & Punctuality 						
STEM	X10K	Science & Math	Ed. Opt.	9	84	New Program
				10	10	New Program
<p>Program Description: Students develop 21st century skills as they deepen their exploration in fields of science, technology, engineering and mathematics. Specifically, students will learn coding, computer programming and mechanical design and how they relate to areas such as robotics. In addition, students will learn about environmental engineering with a focus in agriculture and sustainability.</p>						
Humanities and the Arts	X10L	Humanities & Interdisciplinary	Ed. Opt.	9	84	New Program
				10	10	New Program
<p>Program Description: Students learn about the arts through hands-on experience, written work and art creation. Field trips take advantage of the rich cultural environment of New York City. Students visit art galleries and museums and attend dramatic productions both on and off Broadway. Students also learn the business end of promoting music, drama, creative writing and visual arts through direct involvement in hands-on projects taking place at concerts, art galleries, poetry slams and play productions. A rigorous course sequence includes the opportunity to take a college level humanities course and/or AP Studio Art.</p>						

ELA and Math test results will not be the sole, primary or major factor in admissions decisions, consistent with applicable law. Instead, multiple measures, which may include State test results, will be used to make admissions decisions for screened/audition programs.

Overview

At Discovery, students are prepared for college and life after high school. Students learn how to reflect upon their own thinking and acquire the skills they need to be successful in the world of tomorrow. At our school, every student discovers and explores his or her potential. In addition to the strong emphasis on academics and preparation for college, Discovery emphasizes the importance of developing family-like bonds, both between the teachers and their students, and between the students themselves. Discovery strives to create a nurturing culture in which students enjoy learning and can be creative while maintaining healthy social bonds and relationships.

Overview

The DreamYard Preparatory School (DY Prep) strives to meet students' individual needs in a supportive environment that prepares students for meaningful careers and admission into the colleges of their choice. We promote community-building among students, staff and parents. All students are encouraged to pursue academic excellence and artistic achievement. Teaching artists, in collaboration with classroom teachers, develop arts-integrated projects throughout the year. Students have opportunities to take a variety of Honors and AP Courses as well as SAT Prep classes. We are currently building an International Travel Program where students can travel to Amsterdam and Barcelona. Our arts electives and majors include visual art, dance, digital media, choral music, theatre and musical theatre.

Overview

The Eagle Academy for Young Men was developed on the premise that 'Excellence, both in character and scholarship, opens doors and provides a bridge to equality.' This school has a 'strategic partnership', whose partners include students, administrators, teachers, parents, mentors and community supporters. We are focused and committed to the school's guiding principles of: Academic Excellence, Mentoring, Leadership, Integrity, Character Development and Community Service. The Eagle Academy prepares its students to join the ranks of future leaders in society. Professionals from a wide array of careers act as mentors to provide scholarship and internship opportunities; they are successful male role models who partner with students in their development inside and outside of the classroom environment.

Overview

East Bronx Academy for the Future is a technology-based school for students in grades 6 through 12. Our students learn the content and skills required by the New York State Board of Regents combined with project-based learning and a focus on using technology in the classroom. Students learn in small classes, using computers and completing hands-on projects. Accelerated students take college courses in partnership with Lehman College. East Bronx Academy students graduate from high school ready for college and the world of work. Our graduates are linked to careers that employ technology, such as journalism, the arts, engineering, architecture and urban planning.

Academic Opportunities

Program Highlights: Accelerated Regents Curriculum, Credit-bearing after-school courses for acceleration, optional Saturday courses, National Academy for Excellent Teaching, Middle Grades Initiative, JumpStart

Language Classes: German, Spanish

Advanced Placement Classes: English Language and Composition, Government and Politics: United States, Spanish Literature, United States History

Overview

Eximius College Preparatory Academy is dedicated to developing high-achieving students of good character who use academic, technological and social skills to inspire others and contribute to their community. Our values are academic excellence, community citizenship, self-determination, compassion, integrity, reflective living and unity of being. Students must aspire to personal excellence to be successful and we help them master the challenges of a college preparatory curriculum, guide them through the college entrance process and prepare them for success. Our coursework is designed to give students the knowledge, skills and strategies to pass the Regents, excel on the SAT and succeed in college and life.

Academic Opportunities

Program Highlights: Hayden Foundation Summer Bridge Program for incoming 9th graders; At Home In College-CUNY Program; Partnership with College for Every Student (CFES) Foundation which provides Pathways to College, Mentoring and Leadership Through Service opportunities; Kaplan SAT Test Preparation Program; Participation in Lehman College's College Now program; Auxiliary partnerships with The University of Vermont, SUNY Albany, SUNY New Paltz, Sullivan County CC, Roger Williams University

Quality Review Score (2007-2008): Well Developed

Overview

Fannie Lou Hamer Freedom High School students develop critical thinking, research and analytical skills in pursuit of college and career readiness. Students and teachers work together to create a community of caring and concerned citizens. Technology is used to maximize individualization, independence and depth of learning. Our four-year Advisory curriculum focuses on the academic development, skills and knowledge necessary for college. College classes, internships and digital courses provide a broad range of learning opportunities. At the Children's Aid Society Student Success Center (SSC), students work with a team of full-time college and career counselors to explore post-secondary goals and complete college and scholarship applications. Since 1994, our graduates have gone on to succeed in city, state and private colleges and are pursuing careers in business, media, social work, education and technical fields.

Academic Opportunities

Program Highlights: With teachers serving as guides and coaches, our students create a portfolio of rich, personal work in seven areas: Literature, Math, Social Studies, Science, Social Issues, Art and electives; Online courses are available for students wishing to register for courses not offered at the school; College Now and NYU Partnership college courses; Community Outreach and Internship Program ('real life' internships throughout New York City); Project-based assessments

Language Classes: Spanish

Advanced Placement Classes: English Language and Composition, Spanish Language, United States History

Extracurricular Activities and Clubs

Children's Aid Society programs include: a pre-college program, College Excel; Corporate Workplace (job training and paid internship); College Set (scholarship program); JPMorgan Live, MSG Classroom, NYU Preview2; CAS Afterschool Clubs include: Digital Media and Game Design, Archery, Music, Art, Sports; Camp Interactive STEM club; In-school Saturday programs for students and parents include Parent ESL and Zumba

PSAL Sports – Boys: Baseball, Basketball

PSAL Sports – Girls: Basketball, Softball, Volleyball

PSAL Sports – Co-ed: Wrestling

School Sports: Intramural Sports, Saturday Sports, Weightlifting

Overview

The Felisa Rincón de Gautier Institute for Law and Public Policy helps students explore careers in the legal and political fields while strengthening their reading, writing and public speaking skills. Our academic program encourages depth of study and creates a learning environment committed to community and character development. We have a real-world and culturally relevant curriculum that sponsors collaborative partnerships for learning. Students have the opportunity to become involved in extracurricular college level classes, mentoring, community service projects and internships.

Academic Opportunities

Program Highlights: Introduction to Law and Public Policy, Civil Law, Constitutional Law, Criminal Law, Urban Politics, The Sonia Sotomayor Honors Instructional Program (HIP), Computer Forensics, Forensic Science, Crime Scene Investigation, Journalism, College Now (SUNY Hudson, CUNY Lehman College, Hostos Community College), Partnerships with The Justice Resource Center and Quinn Emanuel Urquhart & Sullivan, LLP; College and Career Fairs; Small Group Instruction

Language Classes: Spanish

Advanced Placement Classes: English Language and Composition, English Literature and Composition, Government and Politics: Comparative, United States History

Extracurricular Activities and Clubs

Student Advisory and Leadership, Student Government, Moot Court and Mock Trial Teams, Negotiations Team, National Honor Society, Tutoring, Regents Preparation, Pageant Committee, Dance, Annual Turkey Bowl

PSAL Sports – Boys: Baseball, Basketball, Football, Outdoor Track, Soccer, Volleyball

PSAL Sports – Girls: Basketball, Outdoor Track, Soccer, Softball, Volleyball

W.E.B. Du Bois Writing Institute	X65A	Humanities & Interdisciplinary	Limited Unscreened	9	30	New Program
Program Description: The W.E.B. DuBois Writing Institute is an interdisciplinary program designed for students who are interested in pursuing a college education and a career that applies the skills and content areas of the humanities. Instruction includes learning activities that require all students to think, problem solve, inquire and defend their opinions. Students will be required to participate and lead school wide activities such as community service, peer tutoring and internships. They will complete college courses online or at SUNY Hudson Valley Community College, CUNY Lehman College and/or CUNY Hostos Community College, pursue an Advanced Regents Diploma, complete a three year foreign language program, and participate in Advanced Placement courses. Students will receive a laptop for home and school use.

Overview

Recognizing the needs of artistically talented students to attend a local high school, Fordham High School for the Arts (FHSA) was created to offer an instructional program in Instrumental Music, Vocal Music, Drama, the Visual Arts and Dance. A partnership with practicing artists will afford students the opportunity to explore and develop their talents in various mediums of artistic expression.

Academic Opportunities

Program Highlights: Project Student Opportunities for Academic Reinforcement (Project SOAR), Tutoring, Counseling, SAT Prep Class, College NOW, STRIVE for College affiliated with the Dorothy Day Center for Service and Justice at Fordham University
Language Classes: French, Spanish
Online Language Classes: French, Spanish
Advanced Placement Classes: Biology, Computer Science A, English Language and Composition, English Literature and Composition, Government and Politics: United States, Music Theory, United States History
Online Advanced Placement Classes: Biology, Computer Science A, English Language and Composition, English Literature and Composition, Government and Politics: United States, Music Theory, United States History

Extracurricular Activities and Clubs

Cheerleading, Chess, Dance, Dance Team, Dramatic Arts, Instrumental Music, Junior Reserve Officers’ Training Corps (JROTC), Regents Academy, Small group Tutoring, Student Government, National Honor Society, Visual Arts, Vocal Music
PSAL Sports – Boys: Baseball, Basketball & JV Basketball, Volleyball
PSAL Sports – Girls: Softball, Volleyball
PSAL Sports – Co-ed: Fencing
School Sports: Basketball, Swimming and Lifeguard Training, Weight Training

Admissions Priorities and Programs

Program Name	Code	Interest Area	Admissions Method	Grade	2014 Seats	2014 Applicants
Fordham High School for the Arts	X51A	Performing Arts	Audition	9	108	1047
				10	10	47
Audition Information						
<p>Dance: Come dressed in proper dance attire. Present a short 1-2 minute dance of your choice. You may be asked to learn choreography. Bring your own music. Be prepared to write an essay explaining why you want to attend FHSA.</p> <p>Drama: Prepare two contrasting memorized monologues from a play, movie or novel, each one minute long. You may be asked to participate in a group theater game. Be prepared to write an essay explaining why you want to attend FHSA.</p> <p>Instrumental Music: This program offers a jazz curriculum for students who play band and rhythm section instruments. We do not have a string program. Students must bring their own instrument, sticks and music to the audition. Be prepared to play a scale and selection of music from a book or solo of your own choice, and sight-read. You will complete a questionnaire, interview, and take a simple test for musical aptitude. Be prepared to write an essay explaining why you want to attend FHSA.</p> <p>Vocal Music: Perform a prepared song without CD/piano accompaniment from the following list: Amazing Grace, Simple Gifts, Shenandoah, My Favorite Things, God Bless America, Happy Birthday and Somewhere. Applicants will also be evaluated on tonal memory, rhythmic and aural skills and vocal technique through teacher-led vocal exercises. Be prepared to write an essay explaining why you want to attend FHSA.</p> <p>Visual Art: Prepare and present a portfolio of at least three pieces of original work drawn from real-life observations (one self-portrait, one still-life or landscape and one student's choice). Students are required to complete one detailed, shaded drawing from observation during the audition. Be prepared to write an essay explaining why you want to attend FHSA.</p>						

2014-2015 Audition Information			
Audition Groups	Date	Start Time	End Time
All programs	Saturday, October 25, 2014	9:00 AM	12:00 PM
All programs	Saturday, November 15, 2014	9:00 AM	12:00 PM
All programs	Saturday, December 13, 2014	9:00 AM	12:00 PM

ELA and Math test results will not be the sole, primary or major factor in admissions decisions, consistent with applicable law. Instead, multiple measures, which may include State test results, will be used to make admissions decisions for screened/audition programs.

Overview

Our community captures the enthusiasm and energy of students by providing college and career learning in fields such as journalism, creative writing, medicine and law. Our students are immersed in applications of theories learned in the classroom through experiential learning opportunities as well as job shadowing and mentoring. All students will be placed in an Advisory within a learning community. Advisories will meet regularly to develop individual learning plans and ensure students are working toward meeting their goals. Our partnership with Fordham University provides additional avenues and resources to help students explore their college/career preferences.

Academic Opportunities

Program Highlights: Extended Day School classes, After-school programs, Saturday Academy, Mentoring, Internships, SAT Prep, College Now

Overview

Frederick Douglass Academy III is built on Dr. Lorraine Monroe's vision of academic and personal excellence for all Scholars. The emphasis on college preparation is supported by a challenging academic program, social and emotional development and cultural enrichment. Through the Core Values – Respect, Education, Professionalism and Community Awareness – Scholars evolve as they matriculate at Frederick Douglass Academy III. Our warm supportive environment fosters the growth and development of our youngsters. Over the course of four years, Scholars graduate from our school prepared to enter the college or university of their choice.

Academic Opportunities

Program Highlights: We are proud of our personalized approach to educating every Scholar. Through our partnerships with community-based organizations and our highly qualified caring staff, we are committed to our Scholars. In the ninth grade, all Scholars participate in a bridge program called the 'Link Crew', which supports their transition to high school. We are also proud of our international travel program, after-school offerings, parent support, college preparation and advising, athletics, advanced placement courses, community service and student leadership development.

Language Classes: French, Italian, Spanish

Advanced Placement Classes: Art History, Biology, Calculus AB, English Language and Composition, Environmental Science, Psychology, Spanish Language, United States History

Extracurricular Activities and Clubs

The following are a few of the activities our Scholars are able to choose from: Athletics, Art, Book, Chess, Culinary Arts, Chorus, Dance, Debate, Drama, Film, Fitness, Homework Help, International Travel, Music, National Honor Society, Media, Photography, Scholar Ambassadors, Senior Advisors, Student Government, Technology, Yearbook, and Peer Mediation, Student Council, Young Women's Leadership, Expanded Success Initiative for young men; After-school opportunities are seasonal and more are offered based on Scholar interest

Overview

At H.E.R.O. High, students learn how to save lives and serve their communities by preparing for a career as a Registered Nurse or Community Health Worker. Students take college classes starting in 10th grade and can earn a 2-year Associate degree with help from a small school environment. Our academic program will prepare every student to succeed in college and their career through hands-on, real-world problem solving, advanced work in math and science and challenging reading and writing tasks in every class. Start your technical training early through internships in clinical nursing and community health work. Even heroes need extra help some times, so we offer tutoring in every subject area.

Academic Opportunities

Program Highlights: Free 2-year Associate degree in Applied Science in Nursing or Community Health Work, Early college classes available at H.E.R.O. High or on the campus of our partner Hostos Community College, Internships in nursing and community health, Advisory, Tutoring in every subject; As we expand, we plan to offer Spanish Native Language Arts

Overview

Harry S Truman High School is writing a new chapter in our history as the best-kept secret in the Bronx. Our current students and their parents will tell you that we have taken the 'small school feeling' of intimate classes, teachers who know you by name, and the time and personal attention needed to achieve success, and combined it with the variety of courses, diverse student body and world-class facilities that you can only get in a large high school environment. We have received awards for our work in this rebuilding. Our students not only get their core academic courses, but can also commit to one of six career academies. With millions of dollars in scholarships earned by our seniors each year, internships for students starting freshman year and students moving on to prestigious universities like Fordham, NYU, St. John's and Penn State, the question shouldn't be, 'Why should I attend Truman?' but rather, 'Why would I go anywhere else?' It is a class-leading education, close to home. If it sounds too good to be true, come and visit for yourself.

Academic Opportunities

Program Highlights: Pre-Engineering, Law and Legal Studies/Law Enforcement Academy, Computer Technology, Culinary Arts, Multimedia Communication, Air Force Junior Reserve Officers' Training Corps (AFJROTC), Summer Internship, Sports and Arts, GEAR UP, Project Achieve, Four-year program allowing students to graduate with a high school diploma as well as an Associate degree from Mercy College

Language Classes: American Sign Language, Spanish

Advanced Placement Classes: Biology, Calculus AB, Calculus BC, English Literature and Composition, Spanish Language, Statistics, Studio Art: 2-D Design, Studio Art: Drawing, United States History

Extracurricular Activities and Clubs

A capella Groups, After-school Tutoring, Architecture, Air Force Junior Officers' Training Corps (AFJROTC), Best Buddies, Chorus, Concert, Construction and Engineers Mentor Program for Future Engineers, Culinary Arts, Dance, Debate Team, Drill Team, Hip-Hop Dance, Jazz, Law Team, Marching Bands, Media Arts, National Honor Society, National Honor Society/Arista, SAT Preparation, Robotics-FRC, FTC League, Student Council, Swimming Club, Visual Art, Website Design and maintenance, Weight Training, Yearbook, build-On

PSAL Sports – Girls: Basketball & JV Basketball, Cross Country, Indoor Track, Outdoor Track, Soccer, Softball, Tennis, Volleyball

School Sports: Cheerleading, Dance Team, Step Team, Girls Flag Football, Spinning, Swimming

Admissions Priorities and Programs

Admissions Priorities

1. Priority to Bronx students or residents
2. Then to New York City residents
3. **For X25B and X25E only:**
 - a. Priority to Bronx students or residents who attend an information session
 - b. Then to New York City residents who attend an information session
 - c. Then to Bronx students or residents
 - d. Then to New York City residents
4. **For Zoned Program only:** Guaranteed offer to students who apply and live in the zoned area

Program Name	Code	Interest Area	Admissions Method	Grade	2014 Seats	2014 Applicants
Law and Legal Studies/Law Enforcement Academy	X25B	Law & Government	Limited Unscreened	9	148	482
				10	10	42
Program Description: Experience law enforcement, mock trials, debates and internships in our state-of-the-art law library and courtroom; opportunities to network with law enforcement professionals. Affiliated with St. John's University; students may receive college credit.						
Computer Technology	X25C	Computer Science & Technology	Ed. Opt.	9	207	595
				10	10	29
Program Description: Website design, Power Point, publishing, the Internet and word processing; customized learning individually paced to achieve mastery.						
Culinary Arts	X25D	Culinary Arts	Ed. Opt.	9	130	574
				10	10	35
Program Description: Using professional equipment and trained by experts chefs, students receive intense instruction; students have opportunities to intern at high-profile restaurants throughout the New York area. Affiliated with C-CAP (Careers through Culinary Arts Program), inner HS competition at Monroe College.						
Multimedia Communication and Production	X25E	Communications	Limited Unscreened	9	97	222
				10	10	12
Program Description: Media students learn about human communication in a digital world through hands-on experience with video, web and radio production. Internships and partnerships available with WABC-7 Eyewitness News, News 12, Fox 5 and BronxNET.						
Air Force Junior ROTC	X25F	JROTC	Screened	9	60	250
				10	10	6
Program Description: Learn life skills with a military focus; discipline, respect, and service are the trademarks of our AFJROTC program						
Selection Criteria						
<ul style="list-style-type: none"> • English (70-100), Math (70-100), Science (70-100), Social Studies (70-100) • Standardized Test Scores: Math Levels: 2-4; English Language Arts Levels: 2-4 • Review of Attendance & Punctuality 						
Pre-Engineering and Applied Mathematics	X25H	Engineering	Screened	9	75	305
				10	10	13
Program Description: Focuses on Mathematics and science to prepare students for careers in Engineering and other technical fields. The curriculum is project-based and includes Engineering Design and Production, Energy applications, Environmentally friendly technology and Electricity. We have partnerships with the Architecture, Construction and Engineering Mentor Program.						
Selection Criteria						
<ul style="list-style-type: none"> • English (80-100), Math (80-100), Science (80-100), Social Studies (80-100) • Standardized Test Scores: Math Levels: 2-4; English Language Arts Levels: 2-4 • Review of Attendance & Punctuality 						
Zoned	X25Z	Zoned	Zoned	9	Guaranteed offer to students who apply and live in the zoned area	

ELA and Math test results will not be the sole, primary or major factor in admissions decisions, consistent with applicable law. Instead, multiple measures, which may include State test results, will be used to make admissions decisions for screened/audition programs.

Quality Review Score (2009-2010): Proficient

Overview

We are committed to preparing a diverse community of students to become life-long learners and providers of excellent health care. Our curriculum is embedded with health-related themes while focused on the sciences. Students may earn college credits through our partnerships with Hostos and Bronx Community Colleges. All students are required to complete 120 hours of fieldwork in one of our many health-related internships. Preparing students for college and the world of work is a necessity, so we employ a full-time College Bound counselor and various staff from community-based organizations to support us in reaching that goal.

Academic Opportunities

Program Highlights: Internships in Health Careers, College Bound Initiative, Health-related programs and courses

Language Classes: Spanish

Online Language Classes: Spanish

Advanced Placement Classes: Biology, European History, Spanish Language, United States History

Extracurricular Activities and Clubs

American Red Cross, buildOn, Changing the Odds, Digital Photography, Drama, National Honor Society/Arista, Urban Word, Student Government, The Men of Strength, The Pom Squad: School Spirit Squad; Yearbook, Young Men's Leadership, Young Women's Leadership, Japanese, Guitar Lessons, A cappella, Cheerleading, Introduction to Medical Careers, Creative Writing, Music Program

Overview

Our school, in the Throggs Neck section of the Northeast Bronx, combines the curricular and extracurricular diversity of a large comprehensive high school with the supports and resources of smaller theme-based academies. Each of our students receives a personalized, nurturing educational experience within the theme-based academies, each of which heavily emphasizes both college and career readiness and social and emotional growth. Each academy has an assistant principal, teachers, guidance counselors and support staff who are dedicated to improving student performance. Our current academies include Technology, Law, Visual Arts, Media & Performance, Health Careers (Nursing and Pre-Medical) and Anne Hutchinson (Engineering).

Academic Opportunities

Program Highlights: A+ Certification, 2-year Cisco Program, Robotics, Microsoft Office (User) Specialist (MOUS/MOS) Certification, Tech Bridge, Virtual Enterprise, Video, Digital Media, College Readiness: SUNY Partnership for College Credit, Partnership with Children, College Now, SPARK, Peer Mediation, The Leadership Program, American Israel Friendship League, Upward Bound, Gateway Program for Health Careers, Gaining Early Awareness and Readiness for Undergraduate Programs (GEAR UP)

Language Classes: Italian, Spanish

Advanced Placement Classes: Biology, Calculus AB, Calculus BC, English Language and Composition, English Literature and Composition, Environmental Science, Government and Politics: United States, Spanish Language, Spanish Literature, United States History, World History

Extracurricular Activities and Clubs

Full Extended Learning Time Program - After School and on Saturday; Community Service, Speech & Debate, Arista, Band, Ceramics, Chamber Choir, Chess, Dance, Debate Team, Digital Media, Forensic Program, Law Team, Leadership Program, Mock Trial, Moot Court, MOUSE Squad, Musical Theater Productions, Newspaper, Painting, Robotics, Student Council, Tech Bridge, Cooking, Zumba, Martial Arts, Opening Act Theatrical Program

Overview

We are a Collaborative Learning Community that combines a challenging curriculum that draws connections between the humanities, science and math with an intensive training program in the arts. We use state-of-the-art 21st century media technology. The Arts Studios bring together study in the traditional arts (dance, theatre, fine arts, and music) with study in the contemporary arts (film, video/sound production, multimedia graphic design and animation). Through our partnerships, our students gain special residencies both within and outside the school. Our students have the opportunity to participate in special programs, performances, exhibitions, mentorships and internships. The entire school is actively involved in the process of building a democratic, self-governing community. Our environment promotes self-directed learning and respects the individuality and uniqueness of each student.

Overview

The High School for Violin and Dance (HSVD) is one of four schools on the Morris Educational Campus. HSVD offers every student classes in violin and modern dance. No prior experience is necessary, but students are expected to have a serious interest in the two performing arts and be ready to participate in intensive training in daily classes. With consistent practice, our students achieve competence, confidence, good citizenship and maturity - qualities that are the foundation for success in high school. There are culminating violin and dance performances at the end of the school year.

Academic Opportunities

Program Highlights: Freshmen take both violin and dance; College Now, National Academy for Excellent Teaching (NAFET), Leadership Program, buildOn

Language Classes: Spanish

Extracurricular Activities and Clubs

Advancement via Individual Determination (AVID), Character Education Leadership Program, College Summit, Community Service, National Honor Society, PM School, Saturday School, Student Council, Study Jams; Clubs vary each year according to student interest.

PSAL Sports – Boys: Baseball, Basketball & JV Basketball, Volleyball

PSAL Sports – Girls: Basketball, Softball, Volleyball

School Sports: Morris Educational Campus Basketball and Volleyball

Quality Review Score (2007-2008): Well Developed

Overview

Our school emphasizes the study of American history and offers a comprehensive and challenging academic program. Our goal is to prepare students for admission to highly competitive colleges and for a wide range of careers in politics, law, journalism, business, science, mathematics and the arts. Through our collaboration with Lehman College, students can access its campus library and athletic facilities and take college classes and seminars in their junior and senior years. Our aim is to make history and other subjects come alive by using primary source documents, films, biographies, literature and creative teaching techniques. Supported by the Gilder Lehrman Institute, students gain first-hand knowledge of key events in American history through trips to sites of historic importance and participation in seminars with guest speakers. We also offer advanced coursework in mathematics, science, literature, foreign languages and the arts. In all of our endeavors, we seek to encourage in our students a love for learning and an inquisitive spirit.

Academic Opportunities

Program Highlights: Honors, Lehman College courses; required courses in American History and Research Methodology; electives in Constitutional and Criminal Law, Film, Foreign Policy, Intellectual History, Ethics, European History, The Roaring Twenties, East Asian History, Architectural History and Drafting, Journalism, American and British Literature, Poetry, Drama, Logic, Combinatorics, Number Theory, Diagnosing Disease, Psychobiology, Nutrition, Environmental Ethics, the Biosphere, Astronomy, and Forensic Science; upperclassmen courses in French, Italian, Latin, Hebrew, Japanese, Russian and Spanish at Lehman College; participation in History Day Seminars, Junior Historians' Forums

Language Classes: Spanish

Advanced Placement Classes: Calculus AB, Chemistry, English Language and Composition, English Literature and Composition, Spanish Language, United States History, World History

Extracurricular Activities and Clubs

After-school Tutorials, Anime, Arts and Crafts, Asian Cultural Society, Astronomy, Band, Chess, Classic Film, Dance, Dance Team, Debate, Drama, Environmental, Food, Fusion Dance, Gay-Straight Alliance, Glee, Great Books, Journalism, Key Club, Literary Magazine, Math Team, Mock Trial, Model United Nations, Moot Court, Music, National Honor Society (Arista), Peer Tutoring, Poetry, Running, School Newspaper, Soccer, Spanish Honor Society, Speech, Student/Senior Government, World Cultures, Yearbook, Zumba

PSAL Sports – Boys: Baseball, Basketball, Cross Country, Outdoor Track, Tennis

PSAL Sports – Girls: Basketball, Cross Country, Outdoor Track, Softball, Tennis

PSAL Sports – Co-ed: Bowling

School Sports: Golf, Running, Soccer, Tennis, Volleyball

Admissions Priorities and Programs

Admissions Priorities

1. Open to New York City residents

Program Name	Code	Interest Area	Admissions Method	Grade	2014 Seats	2014 Applicants
High School of American Studies at Lehman College	NO CODE	Humanities & Interdisciplinary	Test	9	90	16706
				10	3	781

Selection Criteria: Admission to this Specialized High School is based solely on the score obtained on the Specialized High Schools Admission Test (SHSAT). Students should speak to their guidance counselors in the Fall to register for the SHSAT. Guidance counselors will provide each student with an Admission Ticket indicating the date, location and time of the SHSAT. The ticket must be presented at the test site. Students should inform their guidance counselor if they are unable to test on the day assigned.

Overview

Our motto is "Children First – No Excuses – High Standards". High School of World Cultures (HSWC) places a strong emphasis on an enhanced standardized and interdisciplinary curriculum. It focuses on fostering high levels of communication skills integrated across the content areas. The instructional program enriches students' life skills by building on their very rich identity and cultural beliefs and preparing them to be successful and fluent in English. Students gain an appreciation for the diversity and similarities of globalization by acquiring innovative, challenging, age-appropriate academic skills and knowledge that will prepare a bilingual citizen for college and life. Our mission is to create life-long learners who possess the confidence and knowledge to meet the challenges of our changing society. In addition, ESL courses are offered to parents of HSWC students.

Overview

We are a community of English Language Learners from all parts of the world, learning and working together in teams. Our school and classes are small. Students receive personal attention from teachers and school staff. All classes are taught in English and students can use their native language skills to acquire more understanding and prepare assignments and projects. Everyone learns English while learning math, science and social studies. Students are given a college preparatory experience, with internship opportunities in preparation for life after high school. We are part of a growing network of international schools with over 20 years of successful experiences working with recent immigrant youth and their families.

Academic Opportunities

Program Highlights: Students receive support for language development in every class; Small academic classes that incorporate English and Native Languages, Internship, Advisory, College Now, Drama, Studio Art, College Summit, Senior Mentoring
Language Classes: French

Extracurricular Activities and Clubs

Art, Ballroom Dance, Before- and After-school Tutoring, Capoeira, Drama, Hip-Hop Dance, Model UN, SAT Prep Classes, School Newspaper, Senior Committee, Snowboarding, Tae Kwon Do, Changing the Odds, Tagai Mentoring
School Sports: Small Schools Athletic League: Boys and Girls Baseball, Basketball, Soccer; Girls Volleyball

Admissions Priorities and Programs

Admissions Priorities

1. Open only to New York City residents living in the United States four years or fewer who are English Language Learners per New York City Department of Education guidelines scoring at the Beginner or Intermediate level on the NYSESLAT or LAB-R.

Overview

Knowledge and Power Preparatory Academy (KAPPA) International High School is an International Baccalaureate World School (IB) that offers the IB Diploma to all juniors and seniors. Scholars who earn the IB Diploma can receive up to two years of college credit. All scholars are required to complete a minimum of 150 hours of community service and write a 4,000-word senior research paper on a topic of their choice. KAPPA scholars, families and teachers jointly work hard to maintain our warm community and are committed to a challenging program, an internationally-minded education and inquiry-based learning. To complement our classroom learning, scholars travel internationally every year.

Academic Opportunities

Program Highlights: All students are encouraged to study four years of a foreign language (French or Spanish). Freshmen and sophomores study music, while juniors and seniors choose between IB music and IB theatre. The program also includes an extended instructional day, Saturday Academy and monthly Town Hall meetings. Juniors and seniors can choose to participate in CUNY’s At Home in College or College Now programs. International travel is a key component of the KAPPA educational experience.

Language Classes: French, Spanish

Extracurricular Activities and Clubs

Debate Team, Big Brothers Big Sisters, Creative Writing, Drama, Spectrum, Music Ensembles, Newspaper, Student Government, Tutoring Programs, NY Cares Community Service

PSAL Sports – Boys: Baseball, Basketball & JV Basketball, Fencing, Swimming, Volleyball & JV Volleyball

PSAL Sports – Girls: Softball, Swimming, Volleyball

School Sports: Basketball, Cheerleading, Dance Team, Flag Football, Soccer

Overview

Leadership Institute is a small community-based high school founded by youth and educators at Sistas and Brothas United, the youth affiliate of the Northwest Bronx Community and Clergy Coalition. Through partnerships, the school trains youth to be leaders who take charge of their schools and communities. Yearly Community Action Projects give students the skills they need to take action in their communities. A focus on social justice helps students understand their rights in a fair, democratic society. We prepare students for the college and career of their choice through an excellent education.

Academic Opportunities

Program Highlights: Community Action Projects, High School to College Preparation, Leadership/Advisory, Writer's Workshop Lab, Youth Leadership

Extracurricular Activities and Clubs

Mentoring, Tutoring; Clubs will be offered based on student interest
School Sports: Will be offered based on student interest

Overview

Our goal is to inspire students to learn as much as they can about health to prepare them for life experiences and future careers in health-related professions. Students will master skills in literacy, technology and community responsibility. Graduates will succeed as a result of advanced level courses in math, science and our interdisciplinary health curriculum. Courses are infused with various themes, skills and contemporary issues prominent in the field of health. Students receive classroom visits from health care professionals and may take trips to observe them in the workplace. Our partnerships provide students with academic support, mentoring and extended learning opportunities.

Academic Opportunities

Program Highlights: College Now, College Center, Internships and Experiential Learning Opportunities in local Bronx hospitals and other health-related settings, Health Career Awareness, Saturday Academic and Extracurricular Programs, Mentoring In Medicine, Mini-Meds Program.

Overview

The Millennium Art Academy is a small, award-winning art and intergenerational high school. The school’s exceptional visual art and intergenerational programs with the elderly help students to develop creatively, emotionally and intellectually. Students learn by doing, exploring, discovering, connecting, creating, discussing, debating, writing, revising and sharing. Faculty and visiting artists work together, along with our school’s nurturing support team, to provide students with the tools needed to become confident, morally responsible adults. Emphasis is placed on teaching students to be accountable for their learning, choices, and actions. Our staff goes beyond the call of duty on a daily basis.

Academic Opportunities

Program Highlights: Visual Arts: Drawing, Painting, Printmaking, Sculpture, Illustration, Mixed-media, Graphic and Digital Design, Cartooning, Anime, Photography, Documentary Filmmaking; Intergenerational Programs: Intergenerational Work Study Program (IWSP) and Millennium Pearl Initiative (MPI), where students work with the elderly weekly at the Academy and at nursing homes & senior centers to write, design, illustrate and publish books about their lives; College Now, Young Runners Program, Student Ambassadors, Student Government, Peer Mediation, iLearn, Town Halls, Youth Empowerment Conferences and School-wide Community Service opportunities

Language Classes: Spanish

Advanced Placement Classes: Calculus AB, English Language and Composition, English Literature and Composition

Extracurricular Activities and Clubs

Overview

Our mission at the Morris Academy for Collaborative Studies is to involve all of our students in their own learning process so that they become self-motivated, creative problem solvers who can meet the challenges of college and the job market. We believe that the most effective way to provide our students with a meaningful education is through project-based learning, in which students work in groups on projects that are important and relevant to their lives. Students will engage in learning experiences that will challenge them to think creatively, push them to behave independently and motivate them to grow socially. Technology and the humanities will be integrated across the curriculum.

Academic Opportunities

Overview

Mott Hall Bronx High School is one of the few high schools in New York City that offers open access to the prestigious International Baccalaureate (IB) Program. The IB Program provides a demanding, internationally recognized high school curriculum that prepares students for college-level work. The program has students engage in learning experiences beyond the typical high school curriculum including community service, an independent research project, and an introductory philosophy course that investigates ways of knowing. Students who earn certificates or the full diploma in the program can earn up to one year of college credit. The school provides a family-like atmosphere where students are challenged and enriched by activities that address their development.

Academic Opportunities

Program Highlights: International Baccalaureate (IB) Programme, College 101-401 (targeted college readiness support courses), International travel opportunities through partnerships with buildOn, Summer Search and Global Learning Across Borders (Global LAB); SAT Prep Classes, After-school Tutoring, Saturday School Regents Preparatory Classes, College Planning beginning in 9th grade, small group instruction in 9th and 10th grade Math and ELA classes through Blue Engine, College Bound Initiative (CBI)

Language Classes: French

Extracurricular Activities and Clubs

Art, Chess, Drama, Glee, Ping-Pong, Homework Help, PSAT and SAT Preparatory Classes, Saturday School, School Newspaper, Student Council, Tutoring, Yearbook, buildOn

PSAL Sports – Boys: Baseball, Basketball, Cross Country, Indoor Track, Outdoor Track, Rugby, Wrestling

Overview

Students love the small class size and individualized support they receive in every class. All students have the opportunity to accelerate their progress through middle school and high school classes through our online course access available through our school's learning portal. Classes feature daily 30-minute support sessions to help students understand course expectations, complete assignments and practice necessary academic skills. Talent development courses in the arts and athletics allow students to explore non-academic interests throughout the school day. Daily student advisory sessions, after-school activities and student internships offer the chance for students to develop leadership skills, get to know their peers, explore careers and have fun. Parents like the individualized attention all students receive and the social and emotional support provided by school staff and program partners.

Academic Opportunities

Program Highlights: Mastery-based learning system allows students to progress at their own pace with the necessary academic and social supports; Students have the opportunity to accelerate their progress through middle and high school grades using our online learning portal; Visual and Performing arts classes are offered on each grade level and after school

Language Classes: French (2015)

Online Language Classes: Spanish, French (2015)

Overview

In our state-of-the-art building, our students realize their potential in academics and creative expression through creative projects, hands-on activities and our thriving visual art, dance, drama and music programs. We offer individual attention, guidance and tutorial assistance in the content areas and additional support for the Regents exams. We promote community involvement and activities, uniting staff, parents and the community. We offer workshops for students and parents/guardians, as well as guidance and assistance with referrals to the agencies that serve their needs.

Academic Opportunities

Program Highlights: Students major in one of our comprehensive arts programs: Students perform at least four times a year before a school-wide audience; Our Community-Based Organization (CBO), East Side House Settlement, offers attendance interventions and incentives, counseling and extra learning time; Peer leadership programs; Student council

Quality Review Score (2007-2008): Well Developed

Overview

New World High School is centered around the language acquisition needs of all students in all subjects. Our school engages all students in acquiring and developing the skills necessary for success by infusing English as a Second Language (ESL) into all content areas of instruction. Technology is also integrated throughout the curriculum to develop and reinforce concepts and skills. Our classes are small and our academic program is challenging, with the expectation that students have a successful, timely transition out of the ESL program and graduate in four years. Students share their native cultures and languages and learn to become active citizens in their new country as they adapt to and flourish in American culture and in their use of the English language. Our staff works closely with students to ensure progress throughout the high school years and as they continue their education and/or join the world of work.

Academic Opportunities

Program Highlights: Advisory, Student Support Services, Career Interest and Self Assessment, College visits, SAT and Regents Preparation, Trips, Cultural Events, Internet After-school, Arts and Music Enrichment, Journalism; Opportunities to take college courses while in high school, Online courses, Academic competitions in Mathematics and Social Studies; Trips to cultural, historic and recreational sites in and out of New York City

Quality Review Score (2010-2011): Proficient

Overview

Our mission is to engage, inspire, and educate our students so that they develop skills to succeed in college and beyond. Our students work in small groups, guided by skilled and caring teachers, to solve challenging problems. Each student is well-known by staff members, and is assigned an advisor who works closely with them each week to monitor their progress. We celebrate successes and students are recognized for their accomplishments.

Academic Opportunities

Program Highlights: Advanced Placement courses, Electives courses including: Art & Design, Criminal Justice, Entrepreneurship, Careers & Internships, and Advanced Art; Student Learning Communities, Internship Opportunities, Individualized Student Programming, Credit-bearing Online Courses (iLearn) and After-school Enrichment Classes; College Now & JumpStart (Credit-bearing College Courses)

Overview

Peace and Diversity Academy is a unique school, which in conjunction with the Anti-Defamation League, seeks to create leaders who have the requisite knowledge, skills and attitudes to build an increasingly just and democratic global society. We do so by promoting excellence, developing critical thinkers and modeling an inclusive and democratic community which engages all families, educators and partners. Our school is committed to fostering anti-bias attitudes, inspiring social justice and peace activism, and building student and teacher skills in active communication, conflict resolution, mediation, diplomacy and human rights leadership. Graduates of Peace and Diversity Academy will be leaders who build bridges of intercultural understanding across all levels of human diversity.

Academic Opportunities

Program Highlights: Thematic Curriculum includes: Peace, Diversity, Cultural Identity, Cultural Awareness, Language and Communication, Bias, Anti-Bias, Discrimination, War, Human Rights, Prejudice, Anger Management, Conflict Resolution, Peer Leadership, Model UN, Community Assessment, Community Building, Social Action, Internships, SAT Prep, Debate Team, The Challenge
Language Classes: Spanish
Advanced Placement Classes: English Language and Composition

Extracurricular Activities and Clubs

Ceramic/Advanced Art, Chess, College, Dance, Drama, Fashion, Leadership, Mock Trial, Model City Council, Moot Court, National Peace Competition, New Visions Student Voice Team, New York Council for the Humanities, Peer Mediation, School Newsletter, Student Leadership Council, The Citizen and the Constitution, We the People

Overview

At Pelham Lab High School we encourage you to ask questions such as ‘what keeps an electron spinning?’ and ‘how do we know the difference between right and wrong?’ As a student of Pelham Lab, it is not enough to simply say that electrons travel around an atomic nucleus or that something is correct. Asking the right questions is equally important as knowing the right answers. We believe that by encouraging you to ask deep questions, by engaging you in creative experiences outside of the classroom and by ensuring that your social, academic and emotional needs are met, you will achieve the challenging but worthwhile goals in your future life.

Overview

Our small school uses technology-driven instruction to cater to learners with an interest in the arts and musical theater. By incorporating dance, music, theater, film and visual arts into a challenging academic curriculum, students are encouraged to use inquiry and imagination to creatively express themselves. In addition, our students have access to in-school Advanced Placement (AP) classes, the Advancement Via Individual Determination (AVID) program, student council, club activities and Lehman College's College Now program for enrollment in college-level courses.

Academic Opportunities

Program Highlights: Family activities, after-school and Saturday tutoring, College Now, Regents Prep, College credit-bearing courses in conjunction with Lehman College, College Summit, Drama, Production Crew, Musical Performances, Advancement Via Individual Determination (AVID), online learning programs, student support via attendance outreach, tutoring, credit recovery programs, counseling and mentoring services

Overview

As a small school in the historical landmark building at Morris Educational Campus, School for Excellence has just celebrated its 10th year anniversary. We are dedicated to developing academic, social and cultural experiences by exposing students to civic and interactive educational fieldwork. Our school has multicultural curricula that integrate the arts into academic classes. Our school features extended class periods, small classes, computers, SMART Boards in all classrooms, Advisory and an exciting extended day program. We use traditional as well as portfolio assessments in order to prepare students for Regents Examinations. We begin preparing students for college in the first year with special counseling and overnight trips to colleges. Some of the colleges that our students have graduated from are SUNY Albany, Columbia University, Binghamton University, Syracuse University, Stony Brook University, Hunter College, John Jay College, The City College of New York, Marist College, Lehman College, Cornell University and SUNY Geneseo. As you can see, our students are prepared for higher education and careers and are ready to assume their roles as citizens of our country and the world.

Overview

If you think the tourism and hospitality industry is all about cleaning rooms, checking in guests, making flight reservations, and preparing meals you may be surprised to find out how many choices there really are. Each hotel, resort or restaurant functions as its own little city, with jobs ranging from van driver to accountant, and from security officer to retail manager. Students with an interest in leadership find a wealth of opportunities in the industry! Our graduates are prepared for careers in management. Our classes are engaging and exciting – just like NYC and the industry – around which our hands-on approach to learning is centered.

Academic Opportunities

Program Highlights: Advisory, College & Career Counseling, Specialized Tutoring, Job Shadowing/Internship Experiences, Technology-Driven Instruction/Blended Learning. As the school expands, we plan to offer Mandarin Chinese and French. As the school expands, we plan to offer AP English.

Language Classes: Spanish

Extracurricular Activities and Clubs

Art, Chorus, Drama, National Honor Society, Principal's Advisory Council, Student Government, Web Design

School Sports: Baseball, Basketball, Softball, Volleyball

Overview

At Schuylerville Preparatory High School, our aspiration is to graduate disciplined individuals with integrity. Our students leave school with the goal of continuing their education in the service of others and contributing to the common good. Our approach is to take our students through increasingly rigorous phases of learning. In addition to developing our students into college-ready thinkers, our Dream Real Advisory is dedicated to the development of students' professional interests. We assign students to Success Development Coaches who help to identify concrete steps that students must take to realize their interests. This personalized approach supports our students with mentorships, internships and college level courses.

Academic Opportunities

Program Highlights: Classical Education Model, Classics-based Curriculum, Dream Real Advisory Program, Success Development Plans, Success Coaches, Projects-based Learning, Socratic Seminar, Etymology Study for SAT, College and Career Counseling, Youth Leadership and Character Development, Test Prep and Academic Support, Local, National and International Travel, Mentorships, Internships, Apprenticeships, Work-Study, Family Partnership Program

Overview

In collaboration with the College Board, our school is committed to assisting students in mastering a challenging curriculum, guiding them to college entrance and preparing them for success. Through exposure to state-of-the-art instruction and support, in a respectful and welcoming environment, students are inspired to set the highest academic standards and career goals for themselves. Our students learn to think critically, to communicate effectively and to be open to new experiences and ideas. They are trained to become lifelong learners who are receptive to a wide range of ideas and beliefs. In turn, a strong school community—families, teachers and staff equally committed to these high ideals—supports our students and provides a solid foundation for their success.

Academic Opportunities

Program Highlights: National Honor Society, Knowledge for College, SAT Readiness through Pathways, Academic Support Services, School-wide Advisory, College Now, College Visits, Saturday Workshops at Lehman College, New York City Connected Learning, Computers for Youth, Online Learning, Powerspeak, Achieve3000, Desire To Learn, Get Schooled (attendance program), CHAMPS Program (high school students work with middle school students)

Overview

Theatre Arts Production Company (TAPCo) is one of the first public STEAM (Science, Technology, Engineering, Arts, Math) schools in New York City. We offer students a unique educational experience in core academics, the performing arts and visual arts through technology. TAPCo has two dedicated dance studios, a black box theater, a full-sized auditorium, a theater scene shop, a video sound stage, a radio station, two chorus rooms and an art room for drawing, painting and sculpture. We have strong partnerships with world-class arts organizations. On average yearly, 99% of our students achieve college acceptance with over \$1.5 million offered in scholarship and grants (not loans). We communicate with students and parents through our school website, daily morning announcements and weekly student meetings with their staff agents. We also hold monthly town hall meetings and maintain an open door policy for all administration as well as an active parent association.

Academic Opportunities

Program Highlights: Drama, Dance and Visual Studies are our primary art tracks.
Language Classes: Spanish
Online Language Classes: Spanish
Advanced Placement Classes: Calculus AB, English Literature and Composition
Online Advanced Placement Classes: Calculus AB, English Language and Composition, Environmental Science, Music Theory, United States History, World History

Overview

University Heights Secondary School is a college preparatory high school whose mission is to be a high school that feels like college. Our school is structured like a college program in which students are able to choose from rigorous college preparatory courses and take college courses on site with college professors. All students are required to take college courses through our partnership with CUNY. Students in the Honors and Early College program are required to take a minimum of two college classes per year. Additionally, upperclassmen can apply for an executive internship program in which they gain real-world experience in fields of medicine, business, law, culinary arts, architecture, education and STEM (science, technology, engineering and mathematics). University Heights High School is an iZone 360 school and specializes in innovative and authentic learning practices. Our students benefit from our unique 4-day rotational schedule, technology in the classroom and project-based learning. Our community partners provide over 30 extracurricular programs and opportunities for our students. As part of our community outreach and in an effort to promote financial literacy, students are able to manage and cultivate our large organic urban SPIN farm located on school grounds.

Academic Opportunities

Program Highlights: STEM, Technology Access, Early College, College Now, Honors Classes, Advisory, Blended learning opportunities, Power Writing, Living For the Young Family through Education (LYFE) Center, Robotics, Young Achievers, Executive Internship Program, Technology, Tech Leaders of Tomorrow, Peer Mentoring, Green Technology, Moth Project, Teen Battle Chef, Aiming High, Summer Search, Early Stages Theater Program, Heights News Network (HNN), Urban Spin, Farm-Fisher Leadership Program, Debate; Students at University Heights High School are given voice and choice and register online for elective classes each semester.

Overview

The Urban Assembly Bronx Academy of Letters was founded on a single idea: students who can express themselves clearly in writing can do better in any path they choose in life. In addition to the challenging academic work offered, we are also committed to providing learning opportunities outside of the classroom. Throughout the year, our students participate in regular field trips to arts institutions, colleges and universities. During the summer, our student services team connects students to jobs, internships and programs that allow them to travel all over the world – from Tokyo to Mexico. At Letters, we celebrate hard work, curiosity, self-expression and service. Our graduates are articulate, critical readers and writers, fully prepared to maximize their learning and growth – not only during their high school and college years, but throughout their lives.

Academic Opportunities

Program Highlights: Advanced Placement and honors classes, interdisciplinary courses, college-level research projects with formal presentations in English, Math, Science, History; Arts courses in Dance and Theater; Advanced and introductory foreign language courses; Annual student exhibitions, writing workshops, writing seminar electives, technology access, externships, Moot Court, theater productions; Four-year Advisory system, including college exposure and college counseling system

Quality Review Score (2012-2013): Well Developed

Overview

The Urban Assembly School for Applied Math and Science strives to develop and prepare all of our students to become compassionate, critical thinkers capable of successful pursuits after high school. We expect that all of our students will be prepared for college-level study and will be equipped with the skills to make solid career choices. We operate on the premises that critical thinkers, as they attempt to make sense of the world around them, tend naturally to engage deeply with mathematics, and that applied mathematics can be a powerful unifying force in the school experience. The mathematical sciences are celebrated at this school.

Academic Opportunities

Program Highlights: College Now (Hostos Community College), Gaining Early Awareness and Readiness for Undergraduate Programs (GEAR UP - a comprehensive 7-year College Readiness Program); SAT/ACT Test Preparation, College Counseling, Workplace Internships, Careers in the Mathematical Sciences, Mentoring, Advisory System

Overview

The goal of the Urban Assembly School for Careers in Sports is for all of our students to be prepared for a successful future. We offer a rigorous, college-preparatory curriculum that includes opportunities to explore careers in sports-related fields. Our school is supported by a community-based, non-profit organization, The Urban Assembly, whose resources help us to provide a technology-based, text-rich learning environment. Interested students have the opportunity to become involved in extracurricular college-level classes, mentoring programs, clubs, community service projects and internships.

Academic Opportunities

Program Highlights: Career courses, four years of Math, Honors Classes, AP courses in Junior and Senior years, SAT Prep, iMentor Program, College Now, Advisory, Studio Art

Language Classes: Spanish

Advanced Placement Classes: Calculus AB, Calculus BC, Government and Politics: United States, United States History

Extracurricular Activities and Clubs

After-school Homework Center, Gaming, Baseball (winter), Chess, Community Service Program, National Honor Society, Newspaper, Physical Fitness (spring), PM School (Credit Recovery), Project Discovery, Regents Prep (Saturdays), Saturday Academy (Credit Recovery), Student Government, Urban Dove, Debate, Yearbook, Aspira, Art Club, Urban Assembly Boys Basketball League

PSAL Sports – Boys: Baseball & JV Baseball, Basketball & JV Basketball, Cross Country, Football & JV Football, Indoor Track, Outdoor Track, Rugby, Soccer, Volleyball, Wrestling

Overview

Our mission is to engage students in a challenging academic program centered on wildlife conservation, to expose them to the wonders of the natural sciences, and to help them to cultivate their life skills so that they are ready to succeed in college and become independent adults who act respectfully within their communities. We are committed to closing the achievement gap in order to prepare students for a challenging curriculum and an Advanced Regents Diploma. Through the development of habits of mind and heart our students make significant academic gains, are ready for college success, and develop a clear sense of personal purpose to affect positive change in the world.

Academic Opportunities

Program Highlights: We offer an accelerated program. Students can graduate with an Advanced Regents Diploma. Qualifying students participate in College Now courses at local colleges earning college credit within The City University of New York (CUNY) system. Advanced Placement courses are planned for the 11th and 12th grades.

Language Classes: Spanish

Overview

The West Bronx Academy for the Future (WBA) is a high-tech school that prepares its graduates to participate fully in the social, civic and economic life of their city. Students learn in integrated classes and are supported by a guidance system featuring small numbers of students with long-term teacher involvement. Our program is enhanced by real-world project-based learning and the thorough integration of technology. Students are able to use two computer labs (MAC and HP) while working on integrated curriculum.

Academic Opportunities

Program Highlights: Integrated curriculum that gives students the opportunity to take Advanced Placement classes; Technology is used to enhance teaching and learning; Access to computers equipped with software to enrich school-based curricula
Language Classes: French, Spanish
Advanced Placement Classes: Art History, Chemistry, English Language and Composition, Spanish Language, United States History, World History

Extracurricular Activities and Clubs

After-school Program, Chess, Dance (competitive), Digital Documentaries, Drama, Girls Talk, Granting Early Awareness and Readiness for Undergraduate Programs (GEAR UP), Intensive instructional support, Multimedia; Project-based activities in Science and Math, Student Government, Video Yearbook

Overview

At Westchester Square Academy (WSA), our mission is to develop confident readers, writers and speakers who feel deeply connected to and supported by the school community. We prepare students for college with a liberal arts curriculum focused on writing, critical thinking and peer discussion, giving them the opportunity to connect with their passions through elective coursework in the arts, sciences and humanities. An underpinning of the WSA model is a nurturing school culture that encourages reflection, collaboration and experiential learning. If you like participating and learning from class discussions, and if you are looking for a small, supportive student culture, you will love WSA. Regardless of entry program, students have a common freshman experience and opt-in to honors coursework starting their sophomore year.

Academic Opportunities

Program Highlights: Socratic Seminars, International Travel Opportunities, College Prep Course, Mentorship Program with 15:1 Student to Mentor Ratio, Freshman Orientation Trip. We currently offer pre-AP classes to our sophomores, with open-enrollment AP coursework phasing in for juniors in the 2013-14 school year.

Overview

In September 1994, the New York City Department of Education, the Center for Collaborative Education and the Coalition of Essential Schools sponsored the first systemic effort to redesign a large high school in the Bronx. Wings Academy was one of five pioneering small schools resulting from that effort, founded on the premise of helping young people use their minds well. Our primary goal is to develop students' 'habits of mind', which will encourage respect for lifelong learning, purposefulness and success.

Academic Opportunities

Program Highlights: Double periods (90 minutes), Library, Art Studio, Dance Studio, Classes with our Partners, Senior Thesis, College Now, Jose Serrano Leadership Institute, Upward Bound
Language Classes: Spanish
Advanced Placement Classes: Biology, Calculus AB, English Language and Composition, United States History

Overview

The Women's Academy of Excellence is the only all-girls public high school in the Bronx, serving grades 9-12. Our mission is to create a community of lifelong learners, to nurture the intellectual curiosity and creativity of young women and to address their developmental needs. The school community cultivates dynamic, participatory learning, enabling students to achieve academic success at many levels, especially in the fields of math, science and civic responsibility. Our future scholars are exposed to a challenging curriculum that encourages them to achieve their personal best.

Quality Review Score: N/A

Overview

How do you view the world? What are your perspectives? Our aim is to help students prepare for college by developing their understanding of important local, national and global issues based on an ability to cite evidence and effectively communicate. World View High School (WVHS) expects students to understand their role in our changing world by posing and solving problems in a project-based curriculum where students work with teachers who personalize curriculum based on each student’s strengths, weaknesses and interests. We aim to prepare students to use technology in a thoughtful and purposeful way. We also encourage our students to develop maturity, self-control, curiosity, optimism and tolerance.
